SEAL OF THE CITY
OF
BOSTON

THE CITY SEAL

As it appeared prior to 1827

The City Seal was adopted by "An Ordinance to Establish the City Seal," passed January 2, 1823, which provides "That the design hereto annexed, as sketched by John R. Penniman, giving a view of the City, be the device of the City Seal; that the motto be as follows, to wit: 'Sicut patribus sit Deus nobis'; and that the inscription be as follows:—'Bostonia condita, A.D. 1630. Civitatis regimine donata, A.D. 1822.'" The motto is taken from 1 Kings, viii, 57: "God be with us as He was with our fathers."

The seal as it first appeared is shown above.

The seal as it was afterwards changed, and has ever since continued to be used, was first shown on page 221 of the volume of laws and ordinances, commonly known as the "First Revision," published in 1827, and is established as the City Seal at the present time by Revised Ordinances of 1914, Chapter 1, Section 5, which provides that "The seal of the City shall be circular in form; shall bear a view of the City; the motto 'SICUT PATRIBUS SIT DEUS NOBIS,' and the inscription, 'BOSTONIA CONDITA, A.D. 1630. CIVITATIS REGIMINE DONATA A.D. 1822,' as herewith shown."

The seal as changed in 1827 is shown on the opposite page.

ORIGIN AND GROWTH OF BOSTON

THE Royal Patent incorporating the Governor and Company of Massachusetts Bay in New England passed the seals March * 4, 1628-29. At a General Court, or Meeting of the Company, on August * 29 of that year it was voted "that the Government and patent should be settled in New England." To that end Governor Winthrop led the Puritan Exodus in 1630. Soon after his arrival at Salem on June * 12, 1630, he proceeded with a large following to Charlestown, where a plantation had been established the summer before. The Assistants held three Courts at Charlestown in the interval, August * 23 to September * 28, inclusive. At their meeting on September * 7, they "ordered that Trimountaine shall be called Boston; Mattapan, Dorchester; and the towne upon Charles River, Waterton." Thus Shawmut of the Indians was named Boston, probably out of gratitude to the Merchants of Boston in Lincolnshire, who had subscribed generously to the stock of the Company.

In the latter part of August, Governor Winthrop with the patent chose Boston as his abiding place. The first "Court" held in Boston was a "General Court" on October * 19, "for establishing of the government." On October * 3, 1632, Boston was formally declared to be "the fittest place for publique meetings of any place in the Bay."

Boston was the first town in Massachusetts to become a city. It was incorporated February 23, 1822, by St. 1821, c. 110, adopted by the voters March 4, 1822. This act was revised by St. 1854, c. 448; amended by St. 1885, c. 266, again by St. 1909, c. 486, and again by St. 1948, c. 452 as amended by St. 1951, c. 376.

The neck of land called Boston, still called Boston Proper, contained perhaps 700 acres of land, judging from the 783 acres shown by the official survey of 1794. (In the interval 1630-37, Boston acquired jurisdiction over most of the territory now included in Chelsea, Winthrop, Revere, East Boston, Brookline, Quincy, Braintree, Randolph and Holbrook, besides certain islands in the harbor.) From 1637 till May 13, 1640,

* Old Style

when "Mount Woollaston" was set off as Braintree, Boston exercised jurisdiction over a territory of at least 40,000 acres. Within its present limits there are 30,598 acres, including flats and water.

Since 1640, grants of land have been made to Boston by the General Court as follows: (1) October * 16, 1660, 1,000 acres "for the use of a free schoole, layd out in the wilderness or North of the Merimake River" (in Haverhill), in 1664. (2) June * 27, 1735, in abatement of Province Tax, three townships, each six miles square, or 69,120 acres in all. These townships later became the Towns of Charlemont, Colrain, and Pittsfield. Boston sold its interest in them on June * 30, 1737, for £3,660. (3) June 26, 1794, a township of land in Maine (23,040 acres) "to build a public hospital." This tract was sold by the City April 6, 1833, for \$4,200.

Muddy River was set off as the Town of Brookline on November * 13, 1705, and Rumney Marsh was set off as the Town of Chelsea January * 8, 1739.

The principal annexations of territory included within the present limits of the City of Boston have been made as follows:

(1) Noddle's Island by order of Court of Assistants, March * 9, 1636-37. (2) South Boston set off from Dorchester March 6, 1804, by St. 1803, c. 111. (3) Washington Village set off from Dorchester May 21, 1855, by St. 1855, c. 468. (4) Roxbury January 6, 1868, by St. 1867, c. 359, accepted September 9, 1867. Roxbury received its name by order of the Court of Assistants October * 8, 1630. It was incorporated as a city March 12, 1846, by St. 1846, c. 95, accepted March 25, 1846. (5) Dorchester January 3, 1870, by St. 1869, c. 349, accepted June 22, 1869. It received its name September * 7, 1630, by order of the Court of Assistants. (6) Brighton January 5, 1874, by St. 1873, c. 303, accepted October 7, 1873. Set off from Cambridge as the Town of Brighton February 24, 1807, by St. 1806, c. 65. (7) Charlestown January 5, 1874, by St. 1873, c. 286, accepted October 7, 1873. Settled July * 4, 1629. It was incorporated a City February 22, 1847, by St. 1847, c. 29, accepted March 10, 1847. (8) West Roxbury January 5, 1874, by St. 1873, c. 314, accepted October 7, 1873. It was set off from Roxbury and incorporated a Town May 24, 1851, by St. 1851, c. 250. (9) Hyde Park January 1, 1912, by St. 1911, c. 469, and 583, accepted November 7, 1911. Incorporated a Town April 22, 1868.

BOSTON CITY MESSENGER

FEB 13 1963

INTRODUCTION

As a public document THE MUNICIPAL REGISTER is as old as the City of Boston itself, the first volume having been published in 1821, a year before the government of Boston changed from Town to City. Up to 1840 the title of the volume was: The Rules and Orders of the Common Council. From 1821 to 1829 the document contained merely a register of the City Council and a list of the officers.

In 1829 the City Charter was published as a part of the volume, and in 1830 the Acts relating to Boston, also the ordinances, were added. In 1832 the size of the volume was increased by the addition of an index to the contents. The volume published in 1822 contained fifteen pages and for the year 1840 there were eighty-eight pages, including three pages of index.

The title THE MUNICIPAL REGISTER was adopted in 1841 when the publication became more ambitious, incorporating in its pages the Rules and Orders of the Common Council, joint rules, ordinances of the City, statutes of the Commonwealth relating to the City, a list of the public schools, the City Government of 1841, the committees and departments (consisting at that time of the treasury, law, police, health, public land and buildings, lamps and bridges, fire, and public charitable institutions), and a list of the ward officers.

From 1842 to 1864 it also contained a list of the members of preceding City Governments, a necrological record of those members, the latest ordinances and the special statutes relating to the City. In 1851 a list of the annual orators was added, and in 1853 a map of

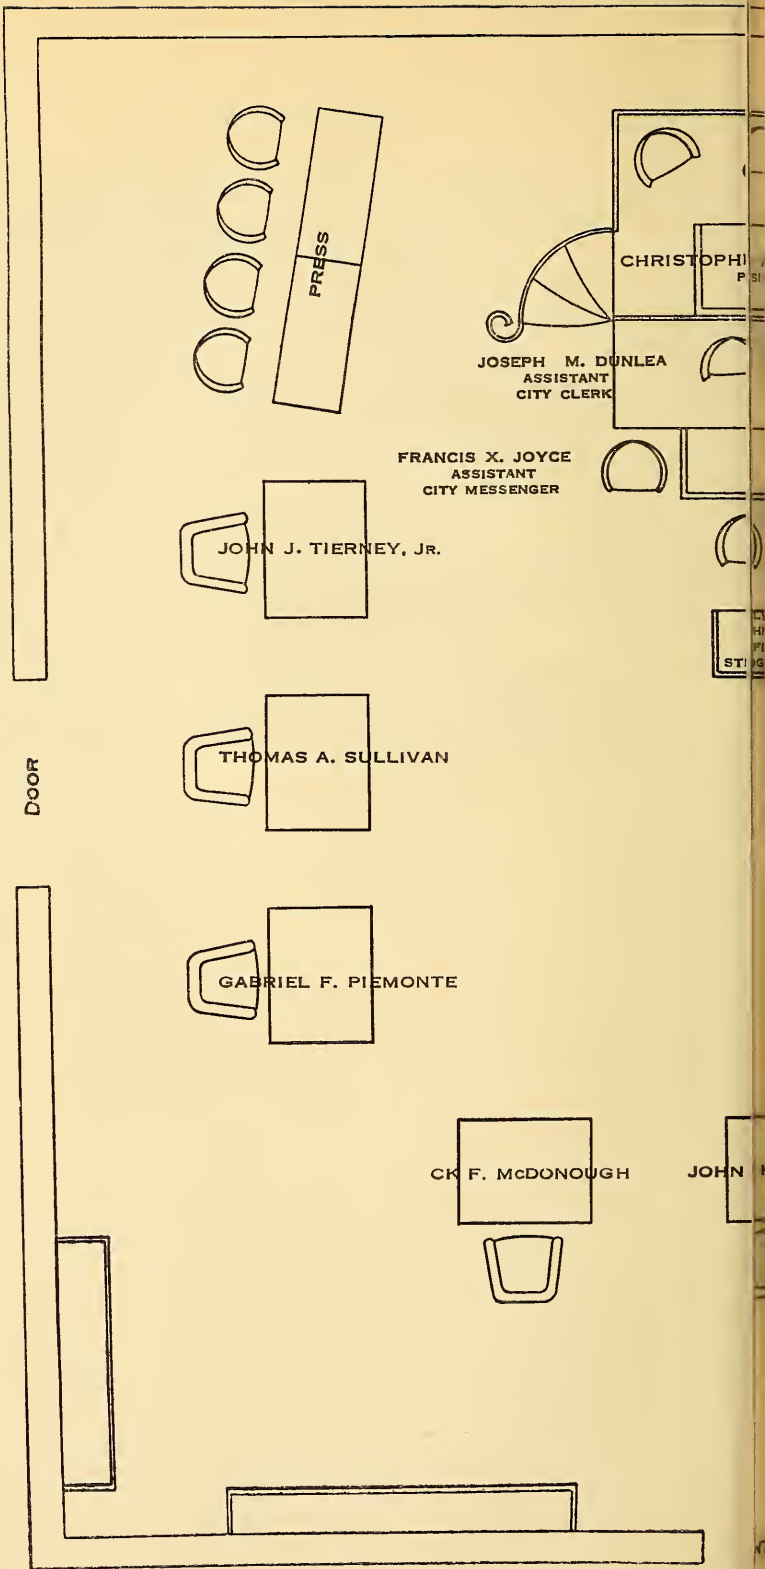

the City and the Rules of the Board of Aldermen. In 1876, statistics of registration and voting were included, carried from 1879 to 1924 in tabulated form.

From 1889 to 1896, inclusive, THE MUNICIPAL REGISTER also continued a compilation of the Charter with the revision of 1854 and the amendments of 1885 and thereafter. The Amended Charter of 1909 (15 pages) was added in 1910, and the various changes since that year have been indicated by footnotes.

In 1924 the important amendments to the Charter enacted in that year (10 pages) were included.

The 1925 volume contained, as the latest addition, descriptions of the ward boundaries as fixed for the 22 new wards (formerly 26) in December, 1924.

This volume contains the City Charter as amended by Stat. 1948, Chap. 452, and Stat. 1951, Chap. 376, commonly known as Plan A, including subsequent changes.

SECT. 2. The city, in the manner hereinafter prescribed, may adopt from time to time at any regular municipal election any one of the optional plans of government provided in this act and shall thereafter be governed by the provisions of the plan so adopted until said provisions are superseded by the adoption of another plan under this act. The inhabitants of the city shall continue to be a municipal corporation under the name existing at the time of the adoption of any plan provided in this act, and shall have, exercise and enjoy all the rights, immunities, powers and privileges, and be subject to all the duties, liabilities and obligations provided for in this act, or otherwise pertaining to or incumbent upon said city as a municipal corporation.

None of the legislative powers of the city shall be abridged or impaired by this act; but all such legislative powers shall be possessed and exercised by such body as shall be the legislative body of the city under this act.

Whenever one of the plans provided for in this act shall be adopted, all ordinances, resolutions, orders or other regulations of the city or of any authorized body or official thereof, existing at the time when the city

adopts such plan, and not inconsistent with the provisions of the plan adopted, shall continue in full force and effect until repealed, modified, suspended or superseded, and all acts and parts of acts relating to the city, so far as inconsistent with the plan adopted shall be inoperative.

* * * * *

SECT. 6. Whenever one of the plans provided in this act shall be adopted, it shall continue in force for a period of at least four years from the beginning of the terms of office of the officials elected thereunder; and no petition proposing another of said plans shall be filed until after three years from the beginning of said terms of office.

* * * * *

SECT. 8. Whenever one of the plans provided in this act shall be adopted, the terms of office of all elective officers in office, and the position of city manager if there be one, shall terminate at ten o'clock in the forenoon on the first Monday of January following the first municipal election held in accordance with the provisions of the plan so adopted.

SECT. 9. Whenever one of the plans provided in this act shall be adopted, the fiscal year of the city shall begin on January first and shall end on December thirty-first next following; and the municipal year thereof shall begin on the first Monday in January and shall continue until the first Monday of the January next following.

PLAN A. GOVERNMENT BY MAYOR, CITY COUNCIL, AND SCHOOL COMMITTEE, ELECTED AT LARGE WITH PRELIMINARY ELECTIONS

(Plan A was adopted by the voters of the City of Boston at the Municipal Election held November 8, 1949, Yes, 146,162, No, 73,882.)

SECT. 10. The form of government provided in sections eleven to twenty, inclusive, and the method of nominating and electing officials thereunder provided in sections fifty-three to sixty-five, inclusive, shall constitute and be known as Plan A under this act. When Plan A is adopted, said sections eleven to twenty, inclusive, and fifty-three to sixty-five, inclusive, shall become and be operative, subject to the provisions of section four.

SECT. 11. There shall be in the city a mayor who shall be the chief executive officer of the city, a city council of nine members which shall be the legislative body of the city, and a school committee of five members which shall have the powers and duties conferred and imposed by law.

SECT. 11A. Every person elected mayor and every person elected or chosen city councillor or school committeeman shall, before entering upon the duties of his office, take, and subscribe in a book to be kept by the city clerk for the purpose, the oath of allegiance and oath of office prescribed in the constitution of this commonwealth and an oath to support the constitution of the United States. Such oaths shall be administered, to a person elected mayor, by a justice of the supreme judicial court, a judge of a court of record commissioned to hold such court within the

city or a justice of the peace, and to a person elected or chosen city councillor or school committeeman, by the mayor or any of the persons authorized to administer said oaths to a person elected mayor.

SECT. 11B. Whenever the mayor is absent from the city or unable from any cause to perform his duties, and whenever there is a vacancy in the office of mayor from any cause, the president of the city council, while such absence, inability or vacancy continues, shall perform the duties of mayor. If there is no president of the city council or if he also is absent from the city or unable from any cause to perform such duties, they shall be performed, until there is a mayor or president of the city council or the mayor or president of the city council returns or is able to attend to said duties, by such member of the city council as that body by a vote which, for the purposes of section seventeen D, shall be deemed to be a vote electing an official, may elect, and until such election by the city clerk. The person upon whom such duties shall devolve shall be called "acting mayor" and he shall possess the powers of mayor only in matters not admitting of delay, but shall have no power to make permanent appointments.

SECT. 12. At the next regular municipal election following the adoption of Plan A and at every second regular municipal election after a regular municipal election at which a mayor is elected, a mayor shall be elected at large to hold office for the four municipal years following the municipal year in which he is elected and thereafter until his successor is elected and qualified.

SECT. 13. If a vacancy occurs in the office of mayor within sixteen weeks prior to a regular municipal election other than a regular municipal election at which a mayor is elected, or within sixteen months after a regular municipal election, or if there is a failure to elect a mayor or a person elected mayor resignes or dies before taking office, the city council shall forthwith adopt an order calling a special municipal election for the purpose of electing at large a mayor for the unexpired term, which election shall be held on such Tuesday, not less than one hundred and twenty days nor more than one hundred and forty days after the adoption of such order, as the city council shall in such order fix. If a vacancy occurs in the office of the mayor at any other time, a mayor shall be elected at large at the next regular municipal election to hold office for a term expiring at ten o'clock in the forenoon on the first Monday of the fourth January following his election. A person elected mayor under either of the foregoing provisions shall take and subscribe the oaths required by section eleven A as soon as conveniently may be after the issuance to him of his certificate of election. Such person shall hold office from the time of taking and subscribing such oaths until the expiration of his term and thereafter until his successor is elected and qualified. The provisions of this section shall not apply if a vacancy occurs in the office of mayor in the period beginning on the date of a regular municipal election at which a new mayor is elected and ending at the time he takes office.

SECT. 13A. The mayor shall be paid an annual salary of twenty thousand dollars or such other sum as may from time to time be fixed by ordinance. The mayor shall not receive for his services any other compensation or emolument whatever; nor shall he hold any other office of emolument under the city government.

SECT. 14. At the next regular municipal election following the adoption of Plan A and at every regular municipal election thereafter, there shall be elected at large nine city councillors, each to hold office for the two municipal years following the municipal year in which he is elected.

SECT. 15.* If at any time a vacancy occurs in the city council from any cause, the city clerk shall forthwith notify the city council thereof; and within fifteen days after such notification, the remaining city councillors shall choose, as city councillor for the unexpired term, whichever of the defeated candidates for the office of city councillor at the regular municipal election at which city councillors were elected for the term in which the vacancy occurs, who are eligible and willing to serve, received the highest number of votes at such election, or, if there is no such defeated candidate eligible and willing to serve, a registered voter of the city duly qualified to vote for a candidate for the office of city councillor. If at a regular municipal election there is a failure to elect a city councillor or if a person elected city councillor at such an election resigns or dies before taking office, the city clerk shall, as soon as conveniently may be after the remaining city councillors-elect take office, notify the city council of such failure to elect, resignation or death; and within fifteen days after such notification, the members thereof shall choose, as city councillor for the unexpired term, whichever of the defeated candidates for the office of city councillor at such election, who are eligible and willing to serve, received the highest number of votes at such election, or, if there is no such defeated candidate eligible and willing to serve, a registered voter of the city duly qualified to vote for a candidate for the office of city councillor. If in any of the aforesaid events a choice is not made as hereinbefore provided within fifteen days after the notification of the city council by the city clerk, the choice shall be made by the mayor, or, if there is no mayor, by the city councillor senior in length of service, or, if there be more than one such, by the city councillor senior both in age and length of service. For the purposes of section seventeen D, votes of the city council under this section shall be deemed to be votes electing officials.

SECT. 16. Every city councillor shall be paid an annual salary of five thousand dollars; and no other sum shall be paid from the city treasury for or on account of any personal expenses directly or indirectly incurred by or in behalf of any city councillor.

SECT. 17. The city council shall be the judge of the election and qualifications of its members; shall elect from its members by vote of a majority of all the members a president who when present shall preside at the meetings thereof; and shall from time to time establish rules for its

* Sect. 15 as amended by Stat. 1952, Chap. 190.

proceedings. The member eldest in years shall preside until the president is chosen, and in case of the absence of the president, until a presiding officer is chosen.

SECT. 17A. The mayor may, whenever in his judgment the good of the city requires it, summon a meeting or meetings of the city council although said council stands adjourned to a more distant day, and shall cause suitable written notice of such meeting or meetings to be given to the city councillors.

SECT. 17B. The city council may, subject to the approval of the mayor, from time to time establish such offices, other than that of clerk, as it may deem necessary for the conduct of its affairs and at such salaries as it may determine, and abolish such offices or alter such salaries; and without such approval may fill the offices thus established and remove the incumbents at pleasure. The city clerk shall act as clerk of the city council.

SECT. 17C. All elections by the city council under any provision of law, including the choosing of a city councillor under section fifteen, shall be made by a *viva voce* vote, each member who is present answering to his name when it is called by the clerk or other proper officer, and stating the name of the person for whom he votes, or declining to vote, as the case may be; and the clerk or other proper officer shall record every such vote. No such election shall be valid unless it is made as aforesaid.

SECT. 17D. Every order, ordinance, resolution and vote of the city council (except special municipal election orders adopted under section thirteen, votes relating to the internal affairs of said council, resolutions not affecting legal rights, votes electing officials, and votes confirming appointments by the mayor) shall be presented to the mayor for his approval. If he approves it, he shall sign it; and thereupon it shall be in force. If he disapproves it, he shall, by filing it with the city clerk with his objections thereto in writing, return it to the city council which shall enter the objections at large on its records. Every order, ordinance, resolution and vote authorizing a loan or appropriating money or accepting a statute involving the expenditure of money, which is so returned to the city council, shall be void, and no further action shall be taken thereon; but the city council shall proceed forthwith to reconsider every other order, ordinance, resolution and vote so returned, and if, after such reconsideration, two thirds of all the city councillors vote to pass it notwithstanding the disapproval of the mayor, it shall then be in force; but no such vote shall be taken before the seventh day after the city council has entered the objections at large on its records. Every order, ordinance, resolution or vote required by this section to be presented to the mayor which, within fifteen days after such presentation, is neither signed by him nor filed with his written objections as hereinbefore provided, shall be in force on and after the sixteenth day following such presentation.

Every order, ordinance, resolution or vote required by this section to be presented to the mayor shall be approved as a whole or disapproved

as a whole; except that, if the same authorizes a loan or appropriates money, the mayor may approve some of the items in whole or in part and disapprove other of the items in whole or in part; and such items or parts of items as he approves shall, upon his signing the same, be in force and such items or parts of items as he disapproves by filing with the city clerk his written objections thereto shall be void, and such items or parts of items as he neither signs nor so disapproves within fifteen days after the order, ordinance, resolution or vote shall have been presented to him shall be in force on and after the sixteenth day following such presentation.

SECT. 17E. The mayor from time to time may make to the city council in the form of an ordinance or loan order filed with the city clerk such recommendations other than for school purposes as he may deem to be for the welfare of the city. The city council shall consider each ordinance or loan order so presented and shall either adopt or reject the same within sixty days after the date when it is filed as aforesaid. If such ordinance or loan order is not rejected within said sixty days, it shall be in force as if adopted by the city council unless previously withdrawn by the mayor. Nothing herein shall prevent the mayor from again presenting an ordinance or loan order which has been rejected or withdrawn. The city council may originate an ordinance or loan order and may reduce or reject any item in any loan and, subject to the approval of the mayor, may amend an ordinance. All sales of land other than school lands, all appropriations for the purchase of land other than for school purposes, and all loans voted by the city council shall require a vote of two thirds of all the city councillors and shall be passed only after two separate readings and by two separate votes, the second of said readings and votes to be had not less than fourteen days after the first, except that in the case of loan orders for temporary loans in anticipation of taxes the second of said readings and votes may be had not less than twenty-four hours after the first. No amendment increasing the amount of land to be sold or the amount to be paid for the purchase of land, or the amount of loans, or altering the disposition of purchase money or of the proceeds of loans shall be made at the time of the second reading and vote. If a petition signed by three city councillors requesting that action be taken forthwith upon a loan order presented by the mayor is filed in the office of the city clerk not earlier than fourteen days after the presentation of such loan order, action shall be taken by the yeas and nays on the question of the adoption of such loan order at the next meeting of the council, or, if one vote has already been taken thereon, at the next meeting after the expiration of the required interval after such vote; provided, that such action thereon has not sooner been taken or such loan order has not been withdrawn by the mayor.

SECT. 17F. The city council at any time may request from the mayor specific information on any municipal matter within its jurisdiction, and may request his presence to answer written questions relating thereto at a meeting to be held not earlier than one week from the date of the

receipt of said questions, in which case the mayor shall personally, or through a head of a department or a member of a board, attend such meeting and publicly answer all such questions. The person so attending shall not be obliged to answer questions relating to any other matter. The mayor at any time may attend and address the city council in person or through the head of a department, or a member of a board, upon such subject as he may desire.

SECT. 17G. Except as otherwise provided in chapter four hundred and eighty-six of the acts of nineteen hundred and nine, neither the city council nor any member, committee, officer or employee thereof shall directly or indirectly on behalf of the city or of the county of Suffolk take part in the employment of labor, the making of contracts, or the purchase of materials, supplies or real estate; nor in the construction, alteration, or repair of any public works, buildings, or other property; nor in the care, custody, or management of the same; nor in the conduct of the executive or administrative business of the city or county; nor in the appointment or removal of any city or county employee; nor in the expenditure of public money except such as may be necessary for the contingent and incidental expenses of the city council. Any person violating any provision of this section shall be punished by imprisonment for not more than one year, or by a fine of not more than one thousand dollars, or both.

SECT. 17H. No city councillor nor any person elected city councillor shall, during the term for which he is elected or chosen, be appointed to, or hold, any office or position which is under the city government or the salary of which is payable out of the city treasury except the office of city councillor and any office held ex officio by virtue of being a member, or president, of the city council; provided, however, that nothing herein contained shall prevent a city councillor or any person elected city councillor from, during the term for which he is elected or chosen, being appointed by the governor, with or without the advice and consent of the council, to, and holding, any such office or position if before entering upon the duties of such office or position he resigns as city councillor or city councillor-elect.

SECT. 18. At the next regular municipal election following the adoption of Plan A and at every regular municipal election thereafter, there shall be elected at large five school committeemen, each to hold office for the two municipal years following the municipal year in which he is elected.

SECT. 19.* If at any time a vacancy occurs in the school committee from any cause, the mayor, the president of the city council and the remaining school committeemen, meeting in joint convention, shall, within fifteen days after the vacancy arises, choose, as school committeeman for the unexpired term, whichever of the defeated candidates for the office of school committeeman at the regular municipal election at which school committeemen were elected for the term in which the vacancy

occurs, who are eligible and willing to serve, received the highest number of votes at such election, or, if there is no such defeated candidate eligible and willing to serve, a registered voter of the city duly qualified to vote for a candidate for the office of school committeeman. If at a regular municipal election there is a failure to elect a school committeeman or if a person elected school committeeman at such an election resigns or dies before taking office, within fifteen days after the remaining school committeemen-elect take office, such school committeemen and the then mayor and the then president of the city council shall meet in joint convention and choose, as school committeeman for the unexpired term, whichever of the defeated candidates for the office of school committeeman at such election, who are eligible and willing to serve, received the highest number of votes at such election, or, if there is no such defeated candidate eligible and willing to serve, a registered voter of the city duly qualified to vote for a candidate for the office of school committeeman.

SECT. 20. The members of the school committee shall meet and organize on the first Monday of January following their election. The school committee shall be the judge of the election and qualifications of its members. The members of the school committee shall serve without compensation.

NOMINATION AND ELECTION PROVISIONS UNDER PLAN A AND PLAN D

SECT. 53. Every municipal officer required by sections twelve, thirteen, fourteen and eighteen to be elected at large shall be elected at a biennial municipal election, or, in the case of a mayor for an unexpired term, at a special municipal election, after, in either case, nomination at a preliminary municipal election, except as otherwise provided in section fifty-seven C. In sections fifty-three to sixty-five, inclusive, the term "regular election" shall be construed to refer to the biennial municipal election or the special municipal election, as the case may be, and the term "preliminary election" to the preliminary municipal election held for the purpose of nominating candidates for election at such regular election. Every preliminary election shall, unless dispensed with under said section fifty-seven C, be held on the sixth Tuesday preceding the regular election.

SECT. 54. A nomination petition shall not relate to more than one candidate nor to more than one office. A nomination petition may state the elective public offices which the candidate holds or has held under the government of the commonwealth, the county of Suffolk or the city of Boston or in the congress as a representative or senator from the commonwealth; provided, that such statement shall not exceed eight words and shall, with respect to each such office, consist solely of the title, as hereinafter given, of such office, preceded, if the candidate is the then incumbent thereof, by the word "Present", otherwise, by the word "Former", and followed, if, but only if, the office is that of city councillor, by the words "at Large" or "for Ward (*here insert ward number in numerals, which shall be counted as one word*)", as the case may be. Every nomination petition sheet shall, before issuance, be prepared by the election commission by printing or inserting thereon the matter required by the first two paragraphs of the foregoing form. Not more than three hundred nomination petition sheets shall be issued to any candidate for nomination to the office of mayor under Plan A; not more than one hundred and fifty such sheets shall be issued to any candidate for nomination to the office of city councillor under Plan A or D; and not more than two hundred such sheets shall be issued to any candidate for nomination to the office of school committeeman under Plan A or D. No nomination petition sheet shall be received or be valid unless prepared and issued by the election commission; nor shall any such sheet be received or be valid unless the written acceptance of the candidate thereby nominated is endorsed thereon, anything in section three A of chapter fifty of the General Laws to the contrary notwithstanding.

SECT. 56. The nomination petition shall be signed, in the case of a candidate for mayor, by at least three thousand registered voters of the city qualified to vote for such candidate at the preliminary election, in the case of a candidate for city councillor, by at least fifteen hundred registered voters of the city qualified to vote for such candidate at such election, and, in the case of a candidate for school committeeman, by at least two thousand registered voters of the city qualified to vote for such candidate at such election.

Every voter signing a nomination petition shall sign in person, with his name as registered, and shall state his residence on January first preceding, or his residence when registered if subsequent thereto, and the place where he is then living, with the street and number, if any; but any voter who is prevented by physical disability from writing may authorize some person to write his name and residence in his presence. No voter may sign as petitioner more than one nomination petition for the office of mayor, nor more than nine nomination petitions for the office of city councillor, nor more than five nomination petitions for the office of school committeeman. If the name of any voter appears as petitioner on more nomination petitions for an office than prescribed in this section, his name shall, in determining the number of petitioners, be counted, in the case of the office of mayor, only on the nomination petition sheet bearing his name first filed with the election commission, in the case of the office of city councillor, only on the nine nomination petition sheets bearing his name first filed with said commission, and, in the case of the office of school committeeman, only on the five nomination petition sheets bearing his name first filed with said commission. If the name of any voter appears as petitioner on the same nomination petition more than once, it shall be deemed to appear but once. The signature of any petitioner which is not certified by the circulator of the sheet as provided in the form set forth in section fifty-five A shall not be counted in determining the number of petitioners.

The separate sheets of a nomination petition may be filed all at one time or in lots of one or more from time to time, but shall all be filed with the election commission at or before five o'clock in the afternoon on the eighth Tuesday preceding the preliminary election. Every nomination petition sheet shall be filed by a responsible person, who shall sign such sheet and, if he is other than the candidate, add to his signature his place of residence, giving street and number, if any; and the election commission shall require satisfactory identification of such person.

The names of candidates appearing on nomination petitions shall, when filed, be a matter of public record; but no nomination petition shall be open to public inspection until the signatures on all nomination petitions for the same office have been certified.

SECT. 57. Upon the filing of each nomination petition sheet the election commission shall check each name to be certified by it on such sheet and shall certify thereon the number of signatures so checked which are the names of registered voters of the city qualified to sign the same; provided, however, that said commission shall not certify, in connection with a single nomination petition, a greater number of names than required by section fifty-six with one tenth of such number added thereto. Names not certified in the first instance shall not thereafter be certified on the same nomination petition. All nomination petitions not containing names certified pursuant to this section, to the number required by said section fifty-six, shall be invalid. The election commission shall complete the certification required by this section at or before five o'clock in the afternoon on the thirty-fourth day preceding the preliminary election.

SECT. 57A. A nomination petition which has been filed and is in apparent conformity with law shall be valid unless written objection thereto is made by a registered voter of the city. Such objection shall be filed with the election commission at or before five o'clock in the afternoon on the twenty-eighth day preceding the preliminary election. Objections filed with the election commission shall forthwith be transmitted by it to the Boston ballot law commission. Certification pursuant to section fifty-seven shall not preclude a voter from filing objections to the validity of a nomination petition.

SECT. 57B.* Any candidate may withdraw his name from nomination by a request signed and duly acknowledged by him; provided, however, that all withdrawals shall be filed with the election commission at or before five o'clock in the afternoon on the twenty-eighth day preceding the preliminary election. If a candidate so withdraws his name from nomination before five o'clock in the afternoon of the twenty-ninth day preceding the preliminary election, or is found to be ineligible or dies, the vacancy may be filled by a committee of not less than five persons or a majority thereof, if such committee be named and so authorized in the nomination petition; provided, however, that all certificates of substitution, except any certificate of substitution for a deceased candidate for mayor under Plan A, shall be filed with the election commission at or before five o'clock in the afternoon on said twenty-ninth day.

The certificate of substitution for a deceased candidate for mayor under Plan A shall be filed with the election commission (a) at or before five o'clock in the afternoon on the first Tuesday preceding the preliminary election if he dies on or before the second Friday preceding such election (b) at or before five o'clock in the afternoon on the first Friday following the preliminary election if he dies after the second Friday preceding such election and before the closing of the polls at such election, (c) at or before five o'clock in the afternoon on the first Tuesday preceding the regular election if he dies after the closing of the polls at the preliminary election and on or before the second Friday preceding the regular election, and (d) at or before five o'clock in the afternoon on the first Friday following the regular election if he dies after the second Friday preceding such election and before the closing of the polls at such election; provided, however, that no certificate of substitution for such a deceased candidate shall be filed after the closing of the polls at the preliminary election unless such candidate, if living, would be deemed under either section fifty-seven C or sixty-one to have been nominated for the office of mayor under Plan A.

If a certificate of substitution for a deceased candidate for mayor under Plan A is filed at or before five o'clock in the afternoon on the first Tuesday preceding the preliminary election, the ballots for use at such election shall be printed with the name, residence and ward of the substitute in the place of the name, residence and ward of the deceased; and the voting machine ballot labels for use at such election, if not pre-

viously printed, shall be printed with the name, residence and ward of the substitute in the place of the name, residence and ward of the deceased, and, if previously printed shall have a slip containing the name, residence and ward of the substitute pasted over the name, residence and ward of the deceased. If such a certificate is filed after five o'clock in the afternoon on the first Tuesday preceding the preliminary election, all ballots and voting machine ballot labels for use at such election shall bear the name, residence and ward of the deceased but shall be deemed as a matter of law to bear the name, residence and ward of the substitute in the place of the name, residence and ward of the deceased, and a vote for the deceased at such election shall be counted as a vote for the substitute. If such a certificate is filed at or before five o'clock in the afternoon on the first Tuesday preceding the regular election, the ballots for use at such election other than absent voting ballots shall be printed with the name, residence and ward of the substitute in the place of the name, residence and ward of the deceased; and the absent voting ballots for use at such election, if not previously printed, shall be printed with the name, residence and ward of the substitute in the place of the name, residence and ward of the deceased and, if previously printed, shall be deemed as a matter of law to bear the name, residence and ward of the substitute in the place of the name, residence and ward of the deceased so that a vote thereon for the deceased shall be counted as a vote for the substitute; and the voting machine ballot labels for use at such election, if not previously printed, shall be printed with the name, residence and ward of the substitute in the place of the name, residence and ward of the deceased, and, if previously printed, shall have a slip containing the name, residence and ward of the substitute pasted over the name, residence and ward of the deceased. If a candidate for mayor under Plan A in whose nomination petition a committee of not less than five persons or a majority thereof is authorized to fill a vacancy dies after the second Friday preceding the regular election and a certificate of substitution is not filed at or before five o'clock in the afternoon on the first Tuesday preceding such election, such election, so far, but only so far, as it is for the purpose of electing a person for the office of mayor, shall be postponed for four weeks and no vote cast for any candidate for mayor at the originally scheduled election shall be counted.

Every certificate of substitution shall state:—(1) the name of the substitute, (2) his residence, with street and number, if any, and ward, (3) the office for which he is to be a candidate, (4) the name of the original candidate, (5) the fact of his death, withdrawal or ineligibility, and (6) the proceedings had for making the substitution. The chairman and secretary of the committee shall sign and make oath to the truth of the certificate; and it shall be accompanied by the written acceptance of the candidate substituted. A certificate of substitution shall be open to objection in the same manner, so far as practicable, as a nomination petition.

SECT. 57C. On the first day, other than a legal holiday or Saturday or Sunday, following the expiration of the time for filing withdrawals and

the final disposition of any objections filed, the election commission shall post in a conspicuous place in the city hall the names, residences and wards of the candidates for nomination for mayor under Plan A and for city councillor and school committeeman under Plans A and D who have duly qualified as such candidates, as they are to appear on the official ballots to be used at the preliminary election, except as to the order of the names. If there are so posted the names of not more than two candidates for the office of mayor under Plan A, the candidates whose names are so posted shall be deemed to have been nominated for said office, and the preliminary election for the purpose of nominating candidates therefor shall be dispensed with; if there are so posted the names of not more than eighteen candidates for the office of city councillor under Plan A or D, the candidates whose names are so posted shall be deemed to have been nominated for said office, and the preliminary election for the purpose of nominating candidates therefor shall be dispensed with; and if there are so posted the names of not more than ten candidates for the office of school committeeman under Plan A or D, the candidates whose names are so posted shall be deemed to have been nominated for said office, and the preliminary election for the purpose of nominating candidates therefor shall be dispensed with.

SECT. 58. On the day of the posting provided for by section fifty-seven C, or as soon thereafter as conveniently may be, the election commission shall draw by lot the position of the candidates on the ballot. Each candidate shall have an opportunity to be present at such drawing in person or by one representative. As soon as conveniently may be after such drawing, the election commission shall cause the ballots to be printed. Said ballots shall, in addition to the directions and numbers provided for by section fifty-nine, contain, in the order drawn by the election commission, the names posted as aforesaid (except those of candidates deemed under section fifty-seven C to have been nominated), and no others, with a designation of residence and ward and the title and term of the office for which the person named is a candidate, and the statement, if any, contained in his nomination petition concerning the elective public offices held by him. Said ballots shall be official and no others shall be used at the preliminary election. Said ballots shall be headed as follows:

OFFICIAL PRELIMINARY MUNICIPAL
ELECTION BALLOT

Candidates for nomination for the offices of _____ in the
City of Boston at the preliminary municipal election to be held on
Tuesday, _____, 19 ____ .
The heading of said ballots shall be varied in accordance with the offices
for which nominations are to be made.

SECT. 59. At every preliminary election, and every regular election, under Plan A, each voter shall be entitled to vote for not more than one candidate for the office of mayor, not more than nine candidates for the

office of city councillor, and not more than five candidates for the office of school committeeman. On the ballots and voting machine ballot labels for use at each of said elections, there shall, as a direction to the voter, be printed in capital letters, near the title of each office to be voted for, the words "VOTE FOR (*here insert in words the number of candidates specified in this section with respect to such office*)."

The election commission, when drawing under section fifty-eight the position on the ballot of the candidates for nomination at every preliminary election, shall draw the positions of all candidates for mayor, if any are to be drawn, before drawing the position of any candidate for city councillor or school committeeman and shall draw the positions of all candidates for city councillor, if any are to be drawn, before drawing the position of any candidate for school committeeman. The election commission shall number consecutively, regardless of office, all candidates drawn, — the candidate first drawn being assigned the number 1 and the candidate last drawn being assigned the last number assigned. No position shall be drawn for, nor shall any number be assigned to, any candidate deemed under section fifty-seven C to have been nominated; nor shall any number be assigned to any blank space provided under section sixty-four or to any sticker candidate, so called; and no vote by sticker, which term shall not be construed to include the slip provided for by section fifty-seven B, shall be counted if any candidate number appears thereon. The numbers assigned under this paragraph shall be separate and distinct from the alphabetical or numerical code of any voting machine. On the ballots and voting machine ballot labels for use at every preliminary election, there shall, as an aid to the voter, be printed in numerals, before the name of each candidate and with type the same size as the name, the number assigned to the candidate by the election commission under this paragraph.

SECT. 60. The election officers shall, immediately upon the closing of the polls at preliminary elections, count the ballots and ascertain the number of votes cast in the several voting places for each candidate, and forthwith make return thereof upon the total vote sheets or, if voting machines are used, the general or precinct record sheets, as the case may be, to the election commission which shall forthwith canvass said returns and, subject to the provisions of the first sentence of section one hundred and thirty-seven of chapter fifty-four of the General Laws, determine and declare the result thereof, publish said result in one or more newspapers in the city, and post the same in a conspicuous place in the city hall.

SECT. 61. The two persons receiving at a preliminary election under Plan A the highest number of votes for nomination for the office of mayor shall be deemed to have been nominated for said office; and the eighteen persons receiving at such an election under Plan A or D the highest number of votes for nomination for the office of city councillor shall be deemed to have been nominated for said office; and the ten persons receiving at such an election under Plan A or D the highest number of votes for nomination for the office of school committeeman shall be deemed to have been nominated for said office. If a preliminary election under Plan A

or D results in a tie vote among candidates for nomination receiving the lowest number of votes, which, but for said tie vote, would entitle a person receiving the same to be deemed to have been nominated, all persons participating in said tie vote shall be deemed to have been nominated, although in consequence there be printed on the official ballot to be used at the regular election names to a number exceeding twice the number to be elected.

SECT. 62. The name of every person deemed under section fifty-seven C or section sixty-one to have been nominated, together with his residence and ward and the title and term of the office for which he is a candidate, and the statement, if any, contained in his nomination petition concerning the elective public offices held by him, shall, in addition to the directions provided for by section fifty-nine, be printed on the official ballots to be used at the regular elections; and said persons shall be the sole candidates whose names may be printed on such ballots. As soon as conveniently may be after the sixth Tuesday preceding every regular election, the election commission shall draw by lot the position of said names on said ballots; and said names shall be printed on such ballots in the order so drawn. Each candidate shall have an opportunity to be present at such drawing in person or by one representative.

SECT. 63. No ballot used at any preliminary or regular election shall have printed thereon any party or political designation or mark, and there shall not be appended to the name of any candidate any such party or political designation or mark or anything showing how he was nominated or indicating his views or opinions.

SECT. 64. On every ballot to be used at a preliminary or regular election, there shall be left, at the end of the list of candidates for each office, blank spaces equal to the number for which a voter may vote for such office, in which blank spaces the voter may insert the name of any person not printed on the ballot for whom he desires to vote for such office.

SECT. 65. At every preliminary election, and every regular election under Plan D, each voter shall be entitled to vote for not more than six candidates for the office of city councillor and not more than three candidates for the office of school committeeman. On the ballots for use at both of said elections, there shall be printed directions to the voters that each voter shall not vote for more than the number of candidates specified in this section.

OF
CHAPTER 486 OF THE ACTS OF 1909
AS AMENDED

THE MAYOR AND CITY COUNCIL

* * * * *

SECT. 3.* All appropriations, other than for school purposes, to be met from taxes, revenue or any source other than loans, shall originate with the mayor, who, not later than the first Monday in February of each year, shall submit to the city council the annual budget of the current expenses of the city and county for the current fiscal year, and may submit thereafter such supplementary appropriation orders as he may deem necessary. The city council may reduce or reject any item, but, except upon the recommendation of the mayor, shall not increase any item in, nor the total of, a budget, nor add any item thereto, nor shall it originate a budget. Not later than the first Monday in April the city council shall take definite action on the annual budget by adopting, reducing or rejecting it, and in the event of their failure so to do the items and the appropriation orders in the budget as recommended by the mayor shall be in effect as if formally adopted by the city council and approved by the mayor. It shall be the duty of the city and county officials, when requested by the mayor, to submit forthwith in such detail as he may require estimates for the next fiscal year of the expenditures of the department or office under their charge, which estimates shall be transmitted to the city council.

SECT. 3A.† In the period after the expiration of any fiscal year, and before the regular appropriations have been made by the city council and the school committee, city and county officers who are authorized to make expenditures, and the school committee, may incur liabilities in carrying on the work of the several departments and offices entrusted to them, and payments therefor shall be made from the treasury from any available funds therein and charged against the next annual appropriation, or special appropriation, if any is made; provided, that the liabilities incurred during such interval for regular employees do not exceed in any one month the average monthly expenditure of the last three months of the preceding fiscal year, and that the total liabilities incurred during said interval do not exceed in any one month the sums spent for similar

purposes during any one month of the preceding fiscal year; and provided, further, that said officers who are authorized to make expenditures may expend in any one month for any new officer or board lawfully created an amount not exceeding one twelfth of the estimated cost for the current fiscal year; and provided, further, that until a regular or special appropriation has been made for snow removal, expenditures may be made for that purpose to an amount not exceeding the average of the annual expenditures for snow removal in the five preceding fiscal years. Notwithstanding the foregoing limitations upon the authority of city officers to incur liabilities during said interval, such officers may incur liabilities to such extent as may be necessary for the purpose of compensating first assistant assessors for their regular duties.

SECT. 3B.* After an appropriation of money has been duly made by the city of Boston for any specific purpose, or for the needs and expenditures of any city department or county office, no transfer of any part of the money thus appropriated shall be made except in accordance with and after the written recommendation of the mayor to the city council, approved by a yea and nay vote of two thirds of all the members of the city council; provided, that the city auditor, with the approval in each instance of the mayor, may make transfers, other than for personal service, from any item to any other item within the appropriations for a department, division of a department or county office. After December tenth in each year the city auditor may, with the approval of the mayor in each instance, apply any income and taxes not disposed of and make transfers from any appropriation to any other appropriation for the purpose only of closing the accounts of the fiscal year.

(See Stat. 1942, Chap. 4, Sect. 3, reading as follows:

"During the continuance of the existing state of war between the United States and any foreign country, notwithstanding the provisions of section three B of chapter four hundred and eighty-six of the acts of nineteen hundred and nine, inserted in said chapter by section one of chapter six hundred and four of the acts of nineteen hundred and forty-one, the vote required for approval by the city council of the city of Boston of any transfer of appropriation, other than a loan appropriation, shall be by a yea and nay vote of a majority of all the members of the city council.")

SECT. 4A.† The mayor may designate one clerical assistant for whose acts he shall be responsible to sign his name in approval of all vouchers of less than five hundred dollars each.

* Sect. 3B as inserted by Stat. 1941, Chap. 604, Sect. 1, and as amended by Stat. 1954, Chap. 24.

† Sect. 4A inserted by Stat. 1924, Chap. 479, Sect. 3.

SECT. 5.* The city council with the approval of the mayor may from time to time make by-laws or ordinances for any or all of the following purposes:—(a) to create a new department or agency; (b) to abolish, in whole or in part, any department or agency; (c) to reorganize, in whole or in part, any department or department head or any agency or agency head; (d) to confer or impose on any department or agency any power or duty of the city not appertaining at the time of the making of the by-law or ordinance to any department or agency; (e) to transfer any or all of the powers, duties and appropriations of any division of any department or agency to another division of the same department or agency; (f) to transfer any or all of the powers, duties and appropriations of any department or division thereof or of any agency or division thereof either to another department or division thereof or to another agency or division thereof; and (g) to increase, reduce, establish or abolish the salary of any department or agency head. Every department or agency head created by, or resulting from a reorganization effected by, a by-law or ordinance made under this section shall, unless ex officio, be appointed by the mayor without confirmation by the city council for a term expiring on the first Monday of the January following the next biennial municipal election at which a mayor is elected or, in the case of a person serving without compensation or of a person serving on the board of appeal, the board of examiners, the board of examiners of gasfitters or other like board, for such other term as the by-law or ordinance may prescribe. Every person holding an office or position subject to the civil service laws and rules shall, if the office or position is abolished by a by-law or ordinance made under this section and the by-law or ordinance so provides, be reappointed without civil service examination or registration to a similar office or position with similar status in any new department or agency, or division of either, thereby created or in any department or agency, or division of either, not thereby abolished; and every such person shall upon such reappointment, retain all rights to retirement with pension that shall have accrued or would thereafter accrue to him; and his services shall be deemed to have been continuous to the same extent as if such abolition had not taken place. As used in this section, the term "agency" shall be construed to mean any office in charge of a board or officer not subject to the direction of a department head. Nothing in this section shall authorize any action in conflict with the civil service laws or rules except as expressly provided herein; nor shall any by-law or ordinance made under this section affect in any way the school committee or any board or officer of the school committee or school department, or the board of commissioners of school buildings or the superintendent of construction, or the board of trustees of the teachers' retirement fund or the board of trustees of the permanent school pension fund, or the Boston retirement

board, or the city clerk, or the board of election commissioners, or the Boston traffic commission, or any board or officer appointed by the governor.

SECT. 6. No contract for lighting the public streets, parks, or alleys, or for the collection, removal, or disposal of refuse, extending over a period of more than one year from the date thereof, shall be valid without the approval of the mayor and the city council after a public hearing held by the city council, of which at least seven days' notice shall have been given in the City Record.

SECT. 8. Neither the city council, nor any member or committee, officer, or employee thereof shall, except as otherwise provided in this act, directly or indirectly on behalf of the city or of the county of Suffolk take part in the employment of labor, the making of contracts, the purchase of materials, supplies or real estate; nor in the construction, alteration, or repair of any public works, buildings, or other property; nor in the care, custody, and management of the same; nor in the conduct of the executive or administrative business of the city or county; nor in the appointment or removal of any municipal or county employee; nor in the expenditure of public money except such as may be necessary for the contingent and incidental expenses of the city council. . . .

It shall be unlawful for the mayor or for a member of the city council or for any officer or employee of the city or of the county of Suffolk or for a member of the finance commission directly or indirectly to make a contract with the city or with the county of Suffolk, or to receive any commission, discount, bonus, gift, contribution or reward from or any share in the profits of any person or corporation making or performing such contract, unless such mayor, member of the city council, officer, or employee or member of the finance commission immediately upon learning of the existence of such contract or that such contract is proposed, shall notify in writing the mayor, city council, and finance commission of such contract and of the nature of his interest in such contract and shall abstain from doing any official act on behalf of the city in reference thereto. In case of such interest on the part of an officer whose duty it is to make such contract on behalf of the city, the contract may be made by any other officer of the city duly authorized thereto by the mayor, or if the mayor has such interest by the city clerk: *provided, however*, that when a contractor with the city or county is a corporation or voluntary association, the ownership of less than five per cent of the stock or shares actually issued shall not be considered as being an interest in the contract within the meaning of this act, and such ownership shall not affect the validity of the contract, unless the owner of such stock or shares is also an officer or agent of the corporation or association, or solicits or takes part in the making of the contract.

A violation of any provision of this section shall render the contract in respect to which such violation occurs voidable at the option of the city or

county. Any person violating the provisions of this section shall be punished by a fine of not more than one thousand dollars, or by imprisonment for not more than one year, or both. . . .

THE EXECUTIVE DEPARTMENT

SECT. 9. All heads of departments and members of municipal boards, including the board of street commissioners, as their present terms of office expire (but excluding the school committee and those officials by law appointed by the governor), shall be appointed by the mayor without confirmation by the city council. They shall be recognized experts in such work as may devolve upon the incumbents of said offices, or persons specially fitted by education, training or experience to perform the same, and (except the election commissioners, who shall remain subject to the provisions of existing laws) shall be appointed without regard to party affiliation or to residence at the time of appointment except as hereinafter provided.

* * * * *

SECT. 12. A vacancy in any office to which the provisions of section nine of this act apply, shall be filled by the mayor under the provisions of said section and pending a permanent appointment he shall designate some other head of a department or member of a board to discharge the duties of the office temporarily.

SECT. 13.* Members of boards shall be appointed for the terms established by law or by ordinance. Heads of departments shall be appointed for terms of four years beginning with the first day of May of the year in which they are appointed and shall continue thereafter to hold office during the pleasure of the mayor.

SECT. 14. The mayor may remove any head of a department or member of a board (other than the election commissioners, who shall remain subject to the provisions of existing laws) by filing a written statement with the city clerk setting forth in detail the specific reasons for such removal, a copy of which shall be delivered or mailed to the person thus removed, who may make a reply in writing, which, if he desires, may be filed with the city clerk; but such reply shall not affect the action taken unless the mayor so determines. The provisions of this section shall not apply to the school committee or to any official by law appointed by the governor.

SECT. 15. The positions of assistants and secretary authorized by section twenty of chapter four hundred and forty-nine of the acts of the year eighteen hundred and ninety-five except those in the election department are hereby abolished, and except as aforesaid the said section is hereby repealed.

The civil service laws shall not apply to the appointment of the mayor's secretaries, nor of the stenographers, clerks, telephone operators and messengers connected with his office, and the mayor may remove such appointees without a hearing and without making a statement of the cause for their removal.

* Sect. 13. Affected by Stat. 1953, Chap. 473.

SECT. 16. No official of said city, except in case of extreme emergency involving the health or safety of the people or their property, shall expend intentionally in any fiscal year any sum in excess of the appropriations duly made in accordance with law, nor involve the city in any contract for the future payment of money in excess of such appropriation, except as provided in section six of this act. Any official who shall violate the provisions of this section shall be punished by imprisonment for not more than one year, or by a fine of not more than one thousand dollars, or both.

SECT. 16A.* Anything in section three A or section sixteen to the contrary notwithstanding, city and county officers who are authorized to make expenditures, and the school committee, may, during any fiscal year, at the time of, or after, contracting for the performance or delivery during the remainder of such year of any work, services or supplies of a constantly recurrent nature, contract, without an appropriation, upon like or more favorable terms and conditions, for the performance or delivery of such work, services or supplies for the whole or any part of the first three months of the next fiscal year; provided, that in no event shall the average monthly liability incurred with respect to the next fiscal year exceed the average monthly liability for such work, services or supplies during the last nine months of the then current fiscal year.

THE FINANCE COMMISSION

SECT. 17. Within sixty days after the passage of this act the governor with the advice and consent of the council shall appoint a finance commission to consist of five persons, inhabitants of and qualified voters in the city of Boston, who shall have been such for at least three years prior to the date of their appointment, one for the term of five years, one for four years, one for three years, one for two years, and one for one year, and thereafter as the terms of office expire in each year one member for a term of five years. Vacancies in the commission shall be filled for the unexpired term by the governor with the advice and consent of the council. The members of said commission may be removed by the governor with the advice and consent of the council for such cause as he shall deem sufficient. The chairman shall be designated by the governor. His annual salary shall be five thousand dollars, which shall be paid in monthly instalments by the city of Boston. The other members shall serve without pay.

SECT. 18. It shall be the duty of the finance commission from time to time to investigate any and all matters relating to appropriations, loans, expenditures, accounts, and methods of administration affecting the city of Boston or the county of Suffolk, or any department thereof, that may appear to the commission to require investigation, and to report thereon from time to time to the mayor, the city council, the governor, or the general court. The commission shall make an annual report in January of each year to the general court.

* Sect. 16A. Inserted by Stat. 1951, Chap. 182.

SECT. 19. Whenever any pay roll, bill, or other claim against the city is presented to the mayor, city auditor, or the city treasurer, he shall, if the same seems to him to be of doubtful validity, excessive in amount, or otherwise contrary to the city's interest, refer it to the finance commission, which shall immediately investigate the facts and report thereon; and pending said report payment shall be withheld.

SECT. 20.* The said commission is authorized to employ such experts, counsel, and other assistants, and to incur such other expenses as it may deem necessary, and the same shall be paid by said city upon requisition by the commission, not exceeding in the aggregate in any year the sum of sixty-five thousand dollars, or such additional sums as may be appropriated for the purpose by the city council and approved by the mayor. A sum sufficient to cover the salary of the chairman of the commission and the further sum of at least sixty-five thousand dollars to meet the expenses as aforesaid each year shall be appropriated by said city. The commission shall have the same right to incur expenses in anticipation of its appropriation as if it were a regular department of said city.

SECT. 21. For the purpose of enabling the said commission to perform the duties and carry out the objects herein contemplated, and to enable the mayor, the city council, the governor or the general court to receive the reports and findings of said commission as a basis for such laws, ordinances, or administrative orders as may be deemed meet, the commission shall have all the powers and duties enumerated in chapter five hundred and sixty-two of the acts of the year nineteen hundred and eight and therein conferred upon the commission designated in said act; but counsel for any witness at any public hearing may ask him any pertinent question and may offer pertinent evidence through other witnesses subject to cross-examination by the commission and its counsel.

THE CITY CLERK

SECT. 22. The present city clerk shall hold office for the term for which he has been elected, and thereafter until his successor is chosen and qualified. In the year nineteen hundred and eleven, and every third year thereafter, a city clerk shall be elected by a majority of the members of the city council, to hold office until the first Monday in February in the third year following his election, and thereafter until his successor has been duly chosen and qualified, unless sooner removed by due process of law. . . .

THE CITY AUDITOR

SECT. 23. All accounts rendered to or kept in the departments of the city of Boston or county of Suffolk shall be subject to the inspection and revision of the city auditor, and shall be rendered and kept in such form as he shall prescribe. The auditor may require any person presenting for settlement an account or claim against the city or county to make oath

* Sect. 20 as amended by Stat. 1921, Chap. 81, Stat. 1924, Chap. 369, Stat. 1948, Chap. 175, and Stat. 1961, Chap. 40.

before him in such form as he may prescribe as to the accuracy of such account or claim. The wilful making of a false oath shall be perjury and punishable as such. The auditor may disallow and refuse to pay, in whole or in part, any claim on the ground that it is fraudulent or unlawful and in that case he shall file a written statement of his reasons for the refusal.

SECT. 24. Whenever, in response to an advertisement by any officer or board of the city or county, a bid for a contract to do work or furnish materials is sent or delivered to said officer or board, a duplicate of the same shall be furnished by the bidder to the auditor, to be kept by him and not opened until after the original bids are opened. After the original bids are opened, the auditor shall open and examine the bids submitted to him, and shall compare the same with the original bids. In case any of the bids submitted to the auditor differ from the corresponding original bids, those submitted to the auditor shall be treated as the original bids. The contract shall not be awarded until after both sets of bids are opened.

SECT. 25. The auditor shall furnish monthly to each head of department a statement of the unexpended balance of the appropriation for that department, and he shall furnish to the mayor and city council a statement of the unexpended balances of all the departments. He shall furnish quarterly to the city council an itemized statement showing the amount of money expended by the mayor and the city council for contingent expenses.

MISCELLANEOUS PROVISIONS

SECT. 26.* All loans issued by the city after the passage of this act shall be made payable in annual instalments in the manner authorized by section thirteen of chapter twenty-seven of the Revised Laws as amended by section one of chapter three hundred and forty-one of the acts of the year nineteen hundred and eight. No sinking fund shall be established for said loan. All bonds shall be offered for sale in such a manner that the premiums, if any are received, shall be applied in accordance with the provisions of chapter three hundred and seventy-nine of the acts of the year nineteen hundred and ten. No city or county money shall be deposited in any bank or trust company of which any member of the board of sinking fund commissioners of said city is an officer, director, or agent. Nothing herein shall apply to transit bonds of the city of Boston issued under the provisions of the several acts authorizing the construction of tunnels and subways in said city by the Boston Transit Commission, and said bonds may be issued as heretofore and secured by sinking fund.

SECT. 27.† Every officer and board in charge of a department of the city of Boston or county of Suffolk shall, on or before the sixth day of

February in each year, prepare and furnish to the city auditor a list of the officials and employees under said officer or board and paid by the city or county on the first day of such February. Such list shall give the name, residence by street and ward, designation, compensation, and date of election or appointment of each of said officials and employees and the date when each first entered the employ of the city or county. It shall be the duty of the city auditor to verify said lists by the pay rolls and to keep a copy of said lists open for public inspection, and to prepare and publish in the City Record on or before the tenth day of April in each year a comparative table containing the number of such officials and employees holding office or employed in each such department or board and paid by the city or county on the compilation date in each of the ten years next preceding such publication. The term "compilation date," as herein used, shall be construed to mean, with respect to the year nineteen hundred and fifty-one or any prior year, the first day of January, and with respect to the year nineteen hundred and fifty-two or any subsequent year, the first day of February.

SECT. 28. The jurisdiction now exercised by the board of aldermen concerning the naming of streets, the planting and removal of trees in the public ways, the issue of permits or licenses for coasting, the storage of gasoline, oil, and other inflammable substances or explosive compounds and the use of the public ways for any permanent or temporary obstruction or projection in, under, or over the same, including the location of conduits, poles, and posts for telephone, telegraph, street railway, or illuminating purposes, is hereby vested in the board of street commissioners, to be exercised by said board with the approval in writing of the mayor; and the mayor and city council shall have authority to fix by ordinance the terms by way of cash payment, rent, or otherwise, upon which permits or licenses for the storage of gasoline or oil, or other inflammable substances or explosive compounds, and the construction or use of coal holes, vaults, bay windows, and marquees, in, under, or over the public ways shall be issued.

SECT. 29.* Within ninety days after the passage of this act and thereafter there shall be published at least once a week and distributed and sold under the direction of the mayor and on terms to be fixed by the city council and approved by the mayor a paper to be known as the "City Record." All advertising with reference to the sale of property for non-payment of taxes shall appear exclusively in the City Record. All other advertising, whether required by law or not, with reference to the purchase or taking of land, contracts for work, materials or supplies, and the sale of bonds, shall appear in said paper, and in such newspaper or newspapers as the mayor, in his discretion, may order; a list of all contracts of one thousand dollars or more, as awarded, with the names of bidders, and the amount of the bids; appointments by the mayor; and changes in the

number and compensation of employees in each department, shall be published in the City Record. Failure to publish in such newspaper or newspapers as the mayor may order shall not invalidate any purchase, contract or sale made or action taken by the city. The proceedings of the city council and school committee together with all communications from the mayor, shall be published in the City Record; provided, that the substance of debates by and among the members of the city council shall not be so published or published elsewhere at the expense of said city.

SECT. 30.* Every officer or board in charge of a department in said city and every officer, board or official of the county of Suffolk having power to incur obligations on behalf of said county in cases where said obligations are to be paid for wholly from the treasury of said city, when authorized to erect a new building or to make structural changes in an existing building, shall make contracts therefor, not exceeding five, each contract to be subject to the approval of the mayor; and when about to do any work or to make any purchase, the estimated cost of which alone, or in conjunction with other similar work or purchase which might properly be included in the same contract, amounts to or exceeds two thousand dollars, shall, unless the mayor gives written authority to do otherwise, invite proposals therefor by advertisements in the City Record. Such advertisements shall state the time and place for opening the proposals in answer to said advertisement, and shall reserve the right to the officer, board or official to reject any or all proposals. No authority to dispense with advertising shall be given by the mayor unless the said officer, board or official furnishes him with a signed statement which shall be published in the City Record giving in detail the reasons for not inviting bids by advertisement.

SECT. 31. At the request of any department, and with the approval of the mayor the board of street commissioners, in the name of the city, may take in fee for any municipal purpose any land within the limits of the city, not already appropriated to public use. Whenever the price proposed to be paid for a lot of land for any municipal purpose is more than twenty-five per cent higher than its average assessed valuation during the previous three years, said land shall not be taken by purchase but shall be taken by right of eminent domain and paid for in the manner provided for the taking of and the payment of damages for land for highways in said city. No land shall be taken until an appropriation by loan or otherwise for the general purpose for which land is needed shall have been made by the mayor and city council by a two thirds vote of all its members; or in case of land for school purposes by the school committee and school-house department in accordance with law; nor shall a price be paid in excess of the appropriation, unless a larger sum is awarded by a court of competent jurisdiction. All proceedings in the taking of land shall be

SECT. 32.* Beginning in the year nineteen hundred and twenty-five, the municipal election in said city shall take place biennially in every odd numbered year on the Tuesday after the first Monday in November.

The Administrative Services Department represents a consolidation of the activities formerly conducted by the Budget, Printing, and Supply Departments, and the acquisition of 2 new activities — the receipt and processing of general complaints and the establishment of an office machine repair unit. It is under the charge of a board known as the Administrative Services Board, consisting of the Director of Administrative Services as chairman, the Supervisor of Budgets, the Supervisor of Personnel, the Purchasing Agent, the City Auditor, the Collector-Treasurer, and the Commissioner of Assessing, *ex officio*. It is the duty of this board, and more especially of the Director of Administrative Services, to make, under the Mayor, studies and recommendations with respect to the organization, activities, policies, and procedures of all departments, boards, and officers so that the administration thereof shall be economical and efficient.

The regular activities of the department are divided into six divisions — administrative, budget, personnel, purchasing, complaints, and office machine servicing. The Director, in addition to his regular duties, as set forth above, directs the operations and procedures of the Complaints Division and the Office Machine Repair Unit. The Supervisor of Budgets is the budget officer of the city and county and under the direction of the Mayor and in consultation with the Director is responsible for the preparation of the annual and all supplementary budgets as well as all subsequent revisions of the items in any budget. The Supervisor of Personnel is in charge of all personnel records as well as the administration of all compensation plans established for city and county employees. He makes a continuing study of personnel problems, employment conditions, and economic changes affecting all departments and recommends to the Mayor and department officials programs and administrative policies designed to improve and co-ordinate the handling of personnel matters. The Purchasing Agent is responsible for the furnishing of all materials or supplies requisitioned by the several departments. He has charge of the printing plant and supplies the printing or binding requisitioned by departments to whom the City is required by law to furnish the same. He is the custodian of all surplus personal property of the city and may reallocate any such items among the several departments or, with the required approvals, sell or otherwise dispose of the same.

The department also contains a board of five commissioners known as the Art Commission, which has the custody and care of all works of art owned by the City. While not subject to the direct supervision or control of the Administrative Services Board, this commission shall not communicate with the Mayor or make any annual or other report except through the board.

BUILDING DEPARTMENT

Office, 901-910 City Hall Annex, ninth floor

ROBERT E. YORK, *Building Commissioner*. Term expiring May 15, 1966.

THOMAS L. FLYNN, *Deputy Building Commissioner and Head of Technical Services*.

FRANK J. COUGHLIN, *Executive Secretary and Head of Office Services*.

EDMUND J. MORGAN, *Head of Construction and Safety Inspections*.

EDWARD P. LANG, *Head of Mechanical Inspections*.

LEO F. MURPHY, *Superintendent, Head of Electrical Inspections*.

The duty of the Building Commissioner, under the provisions of Chapter 479 of the Acts of 1938, as amended (the Building Code), is to inspect all buildings and structures in the City of Boston except bridges, quays or wharves, buildings owned and occupied by the United States or the Commonwealth, railroad stations and structures used primarily for railway purposes, voting booths, tanks of certain specified capacities, tunnels constructed and maintained by the public authority, tents covering an area of less than one hundred square feet, fences less than six feet in height, signs or billboards upon the ground and signs less than one square foot in area, and flagpoles less than twenty feet in length.

The Code authorizes the Commissioner to issue permits to erect, enlarge, alter, substantially repair, move, demolish or change the occupancy of any building or structure; or to install, alter, or substantially repair plumbing, gas fitting, fire extinguishing apparatus and elevators; or to install steam boilers, furnaces, heaters or other heat producing apparatus the installation of which is regulated by the Code; or to install engines or dynamos.

The Zoning Act also is administered by the Building Commissioner. Under the provisions of this Act the city is divided into use districts, defined as Residential, Business, Industrial and Unrestricted. With minor exceptions, no building shall be erected or altered, nor shall any building or premises be used, for any purpose other than the use permitted in the district in which such building or premises is located. (Chapter 488, Acts of 1924, as amended — the Zoning Act.)

The Commissioner also licenses gas fitters, both master and journeyman; registers master plumbers; establishes the qualifications of welders and licenses operators of elevators.

In addition, Chapter 143 of the General Laws, in so far as applicable to Boston, is administered by the Building Commissioner under delegated authority from the State Commissioner of Public Safety.

The primary purpose of the public safety regulations promulgated under this chapter is to establish a minimum code of safety for the entire state. Cities and towns may make further exactions in accordance with local building ordinances and not inconsistent with law, but in no case may the provisions of state law be avoided or minimized.

The law falls with particular force on all places of assembly — restaurants, taverns, dance halls, meeting halls and all places of similar occupancy in which fifty or more persons may be accommodated. Lodging houses and apartment houses in which there are eight or more rooms above the second floor, or in which ten or more persons are accommodated above the second floor come also within the provisions of this Act. All such buildings must be certified by the Building Commissioner as to compliance with these particular regulations in addition to the Boston Code requirements.

On May 1, 1954, in accordance with Ordinances of 1954, Chapter 2, Section 30, the powers, duties, appropriations and personnel of the Electrical Inspection Division of the Fire Department were transferred to the Building Department.

By Chapter 2 of the Ordinances of 1954 the Board of Appeal, the Board of Examiners, the Board of Examiners of Gasfitters, and the Committee on Licenses were placed in the Building Department and the Board of Zoning Adjustment and the Zoning Commission were placed in the said Department by Revised Ordinances of 1961, Chapter 9, Sections 9 and 10, but none of said Boards, Commission or Committee is subject to the supervision or control of the Building Commissioner, but unless otherwise ordered by the Mayor none of said Boards, Commission or Committee shall communicate with the Mayor or make any annual or other report, except through the Building Commissioner.

The Trustees of the Public Library of the City of Boston, five in number, are appointed by the Mayor, one each year, for a term of five years. They were incorporated in 1878, and authorized to receive and hold real and personal estate to an amount not exceeding \$1,000,000. This amount was changed to \$10,000,000 in 1919, to \$20,000,000 in 1931, and to \$50,000,000 in 1953. The first Trustees were appointed under an ordinance of October 14, 1852.

The old library building on Boylston street was opened to the public in September, 1858, and closed finally in January, 1895. The Central Library Building in Copley square, costing \$2,756,384, was first opened on March 11, 1895.

The Library is maintained by an annual appropriation made to the Trustees by the City Government.

The annual reports, the first of which appeared in 1852, have been continued without interruption.

THE LIBRARY SYSTEM

The library system consists of the Central Library in Copley square, the Kirstein Business Branch in the Edward Kirstein Memorial Library Building at 20 City Hall avenue, twenty-six Branch Libraries, three Bookmobiles, and Hospital Library Service at Boston City Hospital. In addition, through an agreement with Harvard University, the Baker Library of the Harvard Graduate School of Business Administration is a branch of the Boston Public Library. By similar arrangement, the Boston Medical Library at 8 Fenway serves as a medical branch.

The component parts of the library system are the following:

- Director's Office
- Division of Home Reading and Community Services
- Division of Reference and Research Services
- Division of Library Operations
- Division of Information
- Division of Personnel

* The Trustees serve without compensation.

DIRECTOR'S OFFICE

The general administration of the library system as a whole is centered in the Director's Office, which acts in close relationship with the Trustees' Office, with an interchangeable staff acting for the two offices. There is also supervised from the Director's Office the work of the Office of Records, Files, Statistics, and the general publishing activities of the Library.

DIVISION OF HOME READING AND COMMUNITY SERVICES

The greater part of the circulation of books to borrowers is centered in the Branch Libraries, the Bookmobiles, and Hospital Library Service. The purely library activities of the Branch Libraries and the Bookmobiles are therefore considered as a unit which is designated as the Division of Home Reading and Community Services. Within this division there are closed departments and public departments. The main grouping of the public departments is that of the Branch Libraries, the Bookmobiles, and Hospital Library Service, and the Audio-Visual Department, Central Charging Records, and the Open Shelf Department in the Central Library. In direct relationship with the work of the Branch Libraries and the Bookmobiles is the Work with Adults, the Work with Young Adults, and the Work with Children.

The *closed departments* are:

1. Cataloging and Classification Department
2. Book Selection Department
3. Central Book Stock, Branch Issue Section

These departments are concerned with the selection of library materials and with the preparation of these materials for use by the public.

The *public departments* are the Audio-Visual Department, Central Charging Records, and the Open Shelf Department (Adults' Section, Young Adults' Section, Children's Section) in the Central Library, the three Bookmobiles, Hospital Library Service at Boston City Hospital, and the 26 Branch Libraries distributed throughout the city as follows:

DIVISION OF REFERENCE AND RESEARCH SERVICES

The more important part of the reference work of the library system as a whole is carried on in the Central Library. The purely library activities of the Central Library are therefore considered as a unit which is designated as the Division of Reference and Research Services. Within this division there are closed departments and public departments.

The *closed departments* are:

These departments are concerned with the selection of library materials and with the preparation of those materials for use by the public.

In addition to the above public departments there is also a Print Department and a Rare Book Department. The general nature of all of these public departments is indicated by the names which they bear.

The general book stock is under the supervision of a department known as the Book Stack Service.

DIVISION OF LIBRARY OPERATIONS

All of those aspects of the Library's activities that are not of a purely library nature, and are not provided for otherwise, are considered as a unit constituting the Division of Library Operations.

The departments constituting the division are:

1. Accounting Department
2. Book Preparation Department
3. Book Purchasing Department
4. Binding Department
5. Buildings Department

The general nature of the work of these departments is indicated by the names which they bear.

DIVISION OF INFORMATION

The public relations program of the Library is to tell the story of the Library's services to the community at large and to aid in achieving increasing understanding and support of the Library's programs and needs.

There is supervised from the division office the work of the Information Office and the Exhibits Office.

DIVISION OF PERSONNEL

The personnel program of the Library is administered by the Division of Personnel within the framework of the policies established by the Trustees and the Director.

SPECIAL ACTIVITIES

In addition to the regular activities of the various departments, the Library carries on programs of free lectures and concerts which are given in its lecture hall several times each week from October through April each year. Exhibits in the Main Lobby, the Treasure Room, and in the Puvis de Chavannes, Sargent, and Wiggin Galleries in the Central Library Building afford opportunities for emphasizing the Library's valuable resources. Storytelling in the Children's Section, Open Shelf Department, and in many branch libraries by trained storytellers is a part of the Library's program of work with children.

Four publications are distributed free throughout the system: *Books Current*, *Spotlight on New Books for Young Adults*, and *Books on Parade*, each issued four times a year, and *B. P. L. News*, issued ten times a year.

EDMUND L. McNAMARA, *Police Commissioner*

WILLIAM A. BRADLEY, *Secretary*

KENNETH M. MAYER, *Confidential Secretary*

FRANCIS J. HENNESSY, *Superintendent of Police*

The City is divided into seventeen Police Divisions, in each of which is a station house, the quarters of a captain and a force of men.

The Bureau of Criminal Investigation, a central detective agency of the Department, located in Headquarters building, and consisting of several subdivisions, is operated on a large scale and in an efficient manner. Members of this Bureau investigate felonies committed within the jurisdiction of the City of Boston. In addition to its divisions for investigation of reports of automobiles stolen, lost and stolen property, and homicides, squads are assigned to cover the following phases of police work and investigation: Banking, express thieves, general investigation, hotels, narcotics, vice, obscene literature, pawnbrokers, including junk-shop keepers and dealers in second-hand articles, pickpockets, domestic relations, retail stores. A night motor patrol squad performs duty throughout the city, to prevent, so far as possible, the commission of crime and, in acts of violence or other serious crimes have been committed, to arrest and prosecute the offenders. Criminal identification, fingerprints and photographs, missing persons, warrants and summonses are handled by this Bureau. The Bureau also handles cases of fugitives from justice and conducts hundreds of investigations during the course of a year for various police departments throughout the United States and foreign countries. Further, it cooperates in every way possible with outside police departments in the investigation of crime and prosecution of criminals. Supervision of the daily line-up of all prisoners arrested for serious offenses is conducted by this Bureau.

The criminal identification division of this Department has continued to prove of great value and stands in favorable comparison with identification units of the most advanced departments.

Advancements and changes are constantly being made to maintain efficiency of various divisions of the Bureau of Criminal Investigation. To bring about this efficiency of service, equipment of the Bureau is continually being augmented by addition of modern identification apparatus.

Files of the Bureau of Criminal Investigation contain records of assignments made in the Bureau and all records of arrests made throughout the Department.

On file, also, are reports of all felonies committed within the city and all reports of investigation of these felonies.

The Central Complaint and Records Bureau records all complaints, crimes, arrests and incidents on IBM equipment. It supervises the development and maintenance of the system of operations of the Department, including two police broadcasting stations, "KCA860," located at Police Headquarters and on the roof of the new Courthouse Building, Pemberton Square, the latter station being operated by remote control from Police Headquarters.

These broadcasting stations insure speedy response to a call for police assistance and render possible speedy dissemination of information and quick concentration of necessary police power at a point where needed.

The Boston Police Department is completely equipped with modern two-way radio. There are 130 police cars, 6 police boats, and 31 combination patrol wagons and ambulances, equipped with two-way radio telephone. Police automobiles with two-way radio are moving through all parts of the city day and night. Any part of the city may be reached by a police radio car in a very few moments after receipt of a radio message from either of the broadcasting stations.

The radio has been a very important factor in the prompt apprehension of law violators as well as increasing the number of arrests. In many instances, the offenders have been taken into custody while in the act of committing crime.

The Traffic Division is located in the Police Building, 229 Milk street. Its commanding officer is responsible for proper regulation of traffic conditions and for safety of the public using the highways from 8 A.M. to 12 o'clock midnight, within the intown section of the city.

The Superintendent of Buildings is charged with the care of all police buildings. Orders for building maintenance, repair work, plumbing, steamfitting, etc., are issued by this office.

The Property Clerk's Office is charged with the care of lost, stolen and abandoned property, money or other property alleged to have been illegally obtained, and all articles and property taken from persons arrested for any cause. In its custody are also placed all seized liquor and gaming implements which come into possession of the Department.

Orders for supplies, uniforms and equipment are issued by this office.

The Commissioner appoints a Harbor Master and assistants from the police force. The following patrol boats are used in this service: the "William H. Pierce" and the "William H. McShane," both 38-foot crafts; a Chris-Craft 16-foot speedboat, the "Warren C. Perkins"; the "Argus," a 28-foot craft; "Patrol Boat 63," a 63-foot sea-rescue craft, and "Patrol Boat 45," a 45-foot sea-rescue boat.

The Police Department is responsible for the annual listing of all residents within the city 20 years of age or over.

On January 1, 1962, the police force numbered 2,742.

The Committee has also the right to appropriate the unexpended balance of the previous year; the estimated income for the current year, and the unexpended balance in the separate fund under Chap. 71-47. INDUSTRIAL SCHOOLS PARTLY MAINTAINED BY STATE

By Chapter 471, Acts of 1911, and Chapter 106, Acts of 1912, the State especially encourages the establishing of Independent Industrial Schools, allowing financial aid for their maintenance proportionate to the amount raised by local taxation and expended for all public schools. Under this arrangement the School Committee is reimbursed by the State to the extent of one half the net maintenance cost of such industrial schools established in Boston thus far with the approval of the Massachusetts Department of Education. By Chapter 805, Acts of 1913, Continuation Schools, for employed children between fourteen and sixteen years of age, were included under the same plan of State aid. The schools thus maintained are the Boston Trade High School (for Boys), day and evening classes, Trade High School for Girls, Compulsory Continuation School, and practical arts courses in the evening elementary schools.

For the agricultural course in the Jamaica Plain High School, the School Committee is reimbursed to the extent of two thirds of the cost of instruction.

There are co-operative industrial courses in eight high schools, as follows: Boston Technical High (printing), Brighton (automobile mechanics), Charlestown (electricity), Dorchester (woodwork and upholstery), East Boston (machine shop), Hyde Park (machine shop), Jamaica Plain (agriculture), and South Boston (sheet metal and auto body).

INDUSTRIAL ARTS

Industrial arts courses in shopwork are given in the following high schools: East Boston High School, Hyde Park High School, Roslindale High School, and South Boston High School.

There are 150 shops, including 9 classrooms used for drafting, in elementary and junior high schools, in which the following named subjects are taught: drafting, electricity, interior decoration, machine shop, printing, sheet metal, woodwork, and diversified shop subjects.

Cardboard construction and handcrafts in the fourth and fifth grades, although taught by classroom teachers, are supervised by the department.

Gardening is conducted by the department as summer activity on a seven-acre plot of City of Boston property in Woburn.

HOME ECONOMICS

In the Home Economics Department there are 143 teachers, an assistant director and a director.

There are 10 high schools offering courses in Home Economics; Brighton, Charlestown, Dorchester High, East Boston, Girls' High, Hyde Park High, Jamaica Plain, Jeremiah E. Burke, Roslindale, and South Boston.

In the high schools of Boston there are 9 appointed teachers of Home Economics; in addition, there are 6 appointed teachers assigned from Junior High, 2 appointed teachers assigned from Elementary, 1 provisional teacher and 5 temporary teachers. There are 15 standard clothing laboratories, 8 foods laboratories, and 4 home economics suites.

In the junior high there are 32 teachers of foods, including one teacher assigned to Special Class Occupational Center, and one teacher assigned from Trade High School. There are 75 elementary and junior high school teachers of clothing, including 1 teacher assigned to Horace Mann. There are also 9 temporary teachers and 1 provisional teacher having home economics programs. There are 3 home economics teachers at the M. Gertrude Godvin school.

There are 46 rooms equipped for instruction in foods, 16 of these have adjoining suites. There are 117 classrooms equipped for the teaching of clothing.

EVENING HIGH, ELEMENTARY AND TRADE SCHOOLS

There are seven evening high schools: Boston Central Adult, Brighton, Dorchester (Jeremiah E. Burke Schoolhouse), East Boston (Joseph H. Barnes Schoolhouse), Roslindale, Roxbury (Boston Clerical Schoolhouse), and South Boston. These schools, the sessions of which are held on Tuesday and Thursday evenings, from 7 to 10 o'clock, are conducted in the several high schoolhouses of the districts named. All but the Boston Central Adult High are commercial schools.

There are eight evening elementary schools in session on Tuesday and Thursday evenings from 7 to 10 o'clock.

North End and Codman Square Evening Elementary Schools meet on Monday and Wednesday evenings from 7 to 10 o'clock.

There is one evening trade school, Boston Evening Trade School, with two branches located in the Brighton High and South Boston High School-houses. These schools are conducted on Tuesday and Thursday evenings, from 7 to 10 o'clock.

DAY SCHOOL FOR IMMIGRANTS

In the Abraham Lincoln School there are classes for immigrants where instruction in the English language is provided, classes being conducted daily (except Saturday) for three hours in the forenoon and two in the afternoon.

COMPULSORY SCHOOL ATTENDANCE

All children fourteen to sixteen years of age employed under an employment permit or released from regular school attendance under a Home Permit are required by law to attend a course of instruction in education four hours per week. These children are assigned to the Abraham Lincoln School, 152 Arlington Street, Boston, for the equivalent of a continuation school education.

USE OF SCHOOLHOUSES FOR EDUCATIONAL, SOCIAL, AND CIVIC
PURPOSES

In 1912 the School Committee was authorized by statute to allow the use of buildings under their control by associations and individuals (other than school pupils) for educational, recreative, social, civic, philanthropic, and similar purposes at times when the schools were not in session. Under this arrangement there are now thirteen School Centers, each having a manager and largely attended on two evenings a week. More than 125 school buildings are also used by non-school center groups.

Besides the renting of school halls for club meetings, entertainments, etc., basements and other accommodations in schoolhouses are used by the Election Department as polling places, lighting and custodian service being paid by the Election Department.

PENSION AND RETIREMENT FUND FOR TEACHERS

The School Committee, by a majority vote of all its members, may retire with a pension any member of the teaching or supervising staff of the public day schools who has reached the age of sixty years, also such other members as are incapacitated for further efficient service.

These pensions are paid to teachers who were retired before the establishment of the Boston Retirement System, or who have not become members of the Boston Retirement System or State-Boston Retirement System.

The School Committee is authorized to provide for these pensions by appropriating annually such amount as it deems necessary, which, together with the unexpended balance of the previous year, the amount of reimbursement from the Commonwealth, and the appropriation of accrued interest in the Permanent School Pension Fund, will pay pensions for the year.

On December 31, 1961, the Permanent School Pension Fund amounted to \$209,592.99 and 179 retired teachers were receiving pensions therefrom.

The Boston Teachers' Retirement Fund association, started in 1900, is at present paying \$120 per year to 1,315 annuitants, the total amount of its fund on August 31, 1961, being \$2,417,963.34. At that date 2,244 teachers were contributing \$24 per year to the Fund.

FRANKLIN INSTITUTE OF BOSTON, 41 Berkeley Street

LOUIS J. DUNHAM, JR., *Director*

The Franklin Foundation is incorporated under Chapter 569 of the Acts of 1908, a board of citizens being named therein to act for the City in the control of the Franklin Fund and in maintaining the Franklin Institute of Boston as an independent technical institute for adults.

The Franklin Fund is the proceeds of a bequest of one thousand pounds to "the Inhabitants of the Town of Boston in Massachusetts" made by Benjamin Franklin, in a codicil to his will dated June 23, 1789. The codicil provided that the fund "if accepted by the Inhabitants of the Town of Boston" be managed "under the direction of the Select Men, united with the Ministers of the oldest Episcopalian, Congregational and Presbyterian Churches in that Town," who were to make loans on certain conditions to "young married artificers, under the Age of twenty-five years."

Dr. Franklin, who died April 17, 1790, calculated that, in one hundred years, the thousand pounds would grow to one hundred and thirty-one thousand Pounds "of which," he says, "I would have the Managers then lay out at their discretion one hundred thousand Pounds in Public Works which may be judged of most general utility to the Inhabitants The remaining thirty-one thousand Pounds I would have continued to be let out on interest in the manner above directed for another hundred years At the end of this second Term, if no unfortunate accident has prevented the operation the sum will be Four millions and Sixty-one thousand Pounds Sterling, of which I leave one Million sixty-one Thousand Pounds to the Disposition of the Inhabitants of the Town of Boston, and Three Millions to the disposition of the Government of the state, not presuming to carry my views farther." The Town accepted the donation at a Town Meeting held June 1, 1790.

A futile suit brought by the Franklin Heirs in 1891 prevented the division of the fund at the expiration of one hundred years; but on January 17, 1894, by direction of the three ministers and the Board of Aldermen of the City, which board claimed to be the successors of the "Selectmen", \$329,300.48 ($\frac{1}{4}\frac{0}{1}$ of the fund) was paid to the City Treasurer, for "the purchase of land and the erection thereon of the Franklin Institute of Boston and for the equipment of the same." Owing to a series of complications the money remained in the custody of the Treasurer. Mayor Collins, in 1902, caused a petition of the City to be filed in the Supreme Judicial Court, praying for instructions as to the authority of the persons then acting as Managers of the fund. The Court rendered an opinion November 25, 1903 (184 Mass. 373) to the effect that the three ministers were Managers of the fund under Franklin's will, but that the Aldermen did not succeed the "Selectmen" as Managers and had no powers with reference to it. The Court, under its general power to care for public charitable funds, appointed, on March 16, 1904, nine Managers to take the place of the "Selectmen" and provided in the decree of the Court, that the Mayor of Boston should be one, *ex officio*. Successors to the other eight are appointed by the Court. In 1908 the Franklin Fund Managers were incorporated as The Franklin Foundation by the special act already referred to which was clarified by amendments in 1927 and 1953. In 1931 the Court held the incorporation to be constitutional, since it did not change the composition or duties with respect to the Franklin Fund of the Board of Managers, and answered various questions which had been raised (276 Mass. 549).

On December 2, 1905, the City Treasurer received from Mr. Andrew Carnegie \$408,396.48, said sum being equal to the amount of the expendable portion of the Franklin Fund in August, 1904, which Mr. Carnegie agreed to duplicate. Only the annual income from this fund has been used.

On November 17, 1927, \$100,000 was received by the Foundation from the estate of the late James J. Storrow, the income to be used for maintenance of Franklin Institute of Boston.

In 1906 the City appropriated \$100,000, raised by a 20-year loan, to purchase a building site of about 16,000 square feet at the corner of Appleton and Berkeley Streets. On January 31, 1907, the amount available to be "laid out" by the Managers was \$438,741.98 and in that year the Franklin Union Building was erected and equipped at a cost of \$438,528.80. It was opened in September, 1908, as a Technical Institute to train young men and women for positions of supervision in industry. In 1941 the name was legally changed to Franklin Technical Institute. In 1957, the Board of Collegiate Authority of the Commonwealth of Massachusetts voted to confirm the action of the Members of the Franklin Foundation to confer the Degree of Associate in Engineering upon qualified graduates of the Institute.

In 1961, the name of the school was again changed to Franklin Institute of Boston. It is maintained partly by tuition fees (\$393,963 for the fiscal year 1961), and income from the previously mentioned funds (*i.e.*, the Andrew Carnegie donation and the Storrow bequest). Educational programs are offered which are accredited by the Engineers' Council for Professional Development. The Franklin Union Building contains 11 classrooms, 4 drafting rooms, 2 shops and 8 laboratories. There is also an auditorium with a seating capacity of 927.

A second building, acquired in 1960 at 4 Appleton Street, contains 4 classrooms, 2 laboratories, 1 shop and 2 offices. Eight hundred (800) adult students received instruction at evening sessions and 600 in day courses during the school year of 1961.

The Franklin Fund (Second Part) will become available in 1991.

GEORGE ROBERT WHITE FUND

Office, 36 City Hall

TRUSTEES, 1956

JOHN F. COLLINS, Mayor, *Chairman*

CHRISTOPHER A. IANNELLA, *President*, Boston City Council

JOHN T. LEONARD, Temporary City Auditor, *Secretary*

EPHRON CATLIN, JR., *President*, Boston Chamber of Commerce

CHESTER C. STEADMAN, *President*, Bar Association of the City of Boston

JAMES J. MCCARTHY, *Manager*

THOMAS G. J. SHANNON, *Assistant Manager*

The late George Robert White, who died in Boston, January 27, 1922, left the residue of his estate to the City of Boston to be held as a permanent charitable trust fund, "the net income only to be used for creating works of public utility and beauty, for the use and enjoyment of the inhabitants of the City of Boston."

The control and management of the fund is in the hands of a board of five trustees, consisting of the Mayor as Chairman, the President of the City Council, the City Auditor, the President of the Boston Chamber of Commerce and the President of the Bar Association of the City of Boston.

At a meeting of the Trustees held on Tuesday, April 5, 1938, it was unanimously voted that the services of a paid Manager be engaged. In accordance with this vote the custody, care, control and management of all real estate constituting a part of the George Robert White Fund is now in the hands of a Manager; all legal matters are attended to by the Corporation Counsel; all financial disbursements and investments are in the hands of the Collector-Treasurer; all collections and receipts are handled by the Collector-Treasurer; and the examination of all bills and demands rendered against the Fund, together with the approval of all expenditures and the auditing of all accounts, rests with the City Auditor.

Health Units have been provided at Baldwin Place and North Margin Street in the North End, at Paris and Emmons Streets, East Boston, at Dorchester and West Fourth Streets, South Boston, at Blue Hill Avenue and Savin Street, Roxbury, at High and Elm Streets, Charlestown, at Blossom and Parkman Streets, West End, at Whittier and Hampshire Streets, Roxbury, at Central Avenue, Hyde Park, and at Blue Hill Avenue and Harvard Street, Dorchester, in the hope of being able, by proper instruction, to better the living and health conditions of the communities in the congested districts.

A Prado has been established at Hanover and Unity streets in the North End, to provide an open air space for the residents of the North End. In 1935, the Trustees voted to change the name of the Prado to Paul Revere Mall.

In the spring of 1936 the Trustees voted to establish a wading pool and locker building in the yard in the rear of the Whittier Street Health Unit, Roxbury. The wading pool and locker building have since been in full operation for the use and enjoyment of the inhabitants of the City.

In the summer of 1936 the Trustees voted to have thirteen memorial bronze tablets fabricated and placed in the walls of the Paul Revere Mall in the North End. The inscriptions to be placed on these tablets involved considerable research work and as a consequence these tablets were **not** completed until the summer of 1940. This was done as an improvement to the Mall.

On January 27, 1940, the Trustees voted to purchase an equestrian statue of Paul Revere — made by Cyrus E. Dallin, sculptor — to be placed in the Paul Revere Mall in the North End, as an addition and further improvement in accordance with provision of the will.

On September 22, 1940, the Trustees dedicated the thirteen bronze tablets and the statue of Paul Revere at the Paul Revere Mall in the North End.

In the summer of 1941 the Trustees voted to establish a number of play spaces, fully equipped, in various sections of the City from the Income of the Fund, for the use and enjoyment of children under 12 years of age. It was voted to establish the first four play spaces at the following locations:

Pitts and Hale Streets, in the West End
London and Decatur Streets, in East Boston

Troy and Rochester Streets, in the South End
King and Roxbury Streets, in Roxbury

This chain of play spaces consists of the most modern architecture: wading pools, play-yard equipment, concrete seats, concrete sandboxes etc., and is a great asset to the City.

Starting in the spring of 1946 and ending in the fall of 1949 the Trustees of the Fund voted to establish the following projects from the Income of the Fund:

Health Unit at Central avenue and Elm street, Hyde Park
Health Unit at Blue Hill avenue and Harvard street, Dorchester
Swimming Pool, Diving Pool and Locker Building, Doherty Heights, Charlestown
Schoolboy Stadium in Franklin Park
War Memorial Center in the Fens
Swimming Pool, Diving Pool and Locker Building, Commercial street, North End Park
War Memorial, Veterans Section, Mt. Hope Cemetery

VICTOR C. BYNOE, <i>Treasurer</i>	Term ends in 1965

APPOINTED BY THE CHAIRMAN OF THE STATE HOUSING BOARD

CORNELIUS T. KILEY, <i>Secretary</i>	Term ends in 1964
--------------------------------------	-------------------

The Boston Housing Authority, established in accordance with the Housing Authority Law of the Commonwealth, consists of five members, who may be compensated at the rate of \$50 per day for the Chairman, and \$40 per day for a member other than the Chairman. As the terms of the members expire, successors are appointed by the same appointive power for terms of five years.

The Authority is charged with investigation to determine the unsanitary and sub-standard housing conditions existing within its jurisdiction which cannot readily be remedied by private enterprise, and the clearance, replanning and reconstruction of such areas. With the approval

of the State Housing Board and the Mayor, it is empowered to enter into agreement with any agency of Government for assistance, financial or otherwise, to remedy such substandard conditions.

FEDERALLY-AIDED DEVELOPMENTS

Fifteen Federally-aided developments consisting of 10,156 units in the City are now operated by the Authority for the housing of low-income families, preference being given to veterans and servicemen. The development in the Bay View section which was constructed by the Authority was subsequently sold to the federal government to house war workers. It was operated by the Authority, under lease from the Federal government, and tenancy was later restricted to veterans and servicemen with families. On December 31, 1956 title was given to the Authority with the development to be used to house low-income families.

Old Harbor Village, South Boston, the only development built and owned by the Federal government, was leased to the Authority to house low-income families on May 1, 1938. On December 31, 1958 title to it was given to the Authority.

STATE-AIDED DEVELOPMENTS

The basic Housing Authority Law was amended in 1948 by Chapter 200. This legislation provided for State aid to local authorities in building homes for veterans' families of low income by means of State guarantee of the principal and interest on local housing authority notes or bonds issued for this purpose and annual subsidy by the State not to exceed two and one-half per cent of total development costs, for 40 years. Veterans of World War II, and other veterans with families of low income, receive preference in this program in that order.

Under this legislation, 3,681 dwelling units have been built and occupied in ten developments.

PLANNING AND DEVELOPING

Local housing authorities are now empowered to build housing for elderly persons of low-income. Under the Federally-aided program, six developments specifically designed for occupancy by the elderly, ranging in size from 44 to 96 apartments, are under construction. Under the State-aided program for the elderly, an 80 apartment development has been completed.

With the approval of the Mayor and the City Council, the Authority is planning 1,000 additional apartments, mostly for the elderly, under the Federally-aided program, with occupancy scheduled for 1963. Under the State-aided elderly program, 280 more apartments are in the preliminary planning stage.

The Boston Redevelopment Authority, established in accordance with Gen. Laws, Chap. 121, as amended by Chap. 150, Acts of 1957, has the sole responsibility for urban renewal projects in the City of Boston.

The Authority was organized in September 1957 and received its certificate of organization from the Secretary of the Commonwealth on October 4, 1957.

Under the provisions of the Housing Act of 1949, as amended, the Federal Housing and Home Finance Agency is authorized to enter into contracts with local redevelopment authorities to finance slum clearance and urban renewal projects. Two thirds of the net project costs of an urban renewal project may be obtained from the Federal Government, the remaining one third must be provided by the local government.

Recent amendments to Chapter 121 of the General Laws provide authority for local communities to carry out urban renewal without Federal aid.

Under Chapter 652, Acts of 1960, the City Planning Board was abolished and all its staff transferred to the Authority, and the functions, duties and responsibilities for general city planning assumed by the Authority.

The Authority is presently engaged in a series of projects in various stages of planning and execution. A brief description of each project is detailed below:

New York Streets Project, UR Mass. 2-1. All land acquisition, relocation of families, demolition, grading and site improvement work completed. The cleared land was sold in 1957 to the Cerel-Druker Redevelopment Corporation. Five new buildings have been erected on the site for the Boston Herald-Traveler Corp., Graybar Electric Co., Westinghouse Electric Co., and Transit Insurance Co. Over 80 per cent of the land has been developed in the past three years.

West End Project, UR Mass. 2-3. Charles River Park, Inc., the principal redevelopers of the area, substantially completed the first group of new apartment buildings on this site and initial occupancy started in January, 1962. The redevelopers took delivery of the second parcel of project land in September, 1961, and construction of another complex of new buildings is scheduled to start in 1962. The Retina Foundation, an institution devoted to research and investigative work on the human eye, plans to open a new building located on Staniford Street in the project area, in May, 1962. The Boston Public Library has plans for a new branch facility to be located on Cambridge Street on which construction is to start in 1962.

Whitney Redevelopment Area. The Authority acquired all land in this 7½-acre site in the Roxbury district July, 1960. All relocation and demolition was completed in 1961. The Beacon Redevelopment Corporation took delivery of 92,000 square feet of land in September, 1961, and started construction of a 23-story apartment building to contain 277 dwelling units. This structure is scheduled for completion in 1963. It is being developed under Chapter 121A of the General Laws, the so-called limited dividend statute, designed to encourage the construction of housing for middle income families. Present plans call for the remaining two parcels, each of about 92,000 square feet to be developed for moderate income housing by other real estate and building firms.

Government Center Project, Mass. R-35. The Authority entered into a temporary Loan Contract for Early Land Acquisition in the amount of \$21,260,470 on this project in October, 1961, with the Federal Government. On October 25, 1961, the Authority acquired all land in the project area by eminent domain, filing an "Order of Taking" in the Suffolk Registry of Deeds. Relocation of the 450 families and 827 business firms in the area started immediately and will continue over the next three years. The Authority established a Site Office at 30 Hawkins street to handle the relocation, property management and to process relocation payment claims. Demolition is scheduled to start in February, 1962, to provide cleared land for the construction of a new Federal office building, a new City Hall, a complex of buildings for the Commonwealth of Massachusetts, new private office and commercial buildings. A redevelopment plan for the area will be presented to the Mayor and City Council early in 1962 for approval.

Washington Park. The original survey and planning advance contract for this project has been amended to extend the area from 188 to 472 acres and increase the planning advance from \$143,461 to \$298,291. This project is scheduled to be Boston's first major effort at rehabilitation and conservation under the provisions of the U.S. Housing Act of 1949, as amended. Final plans should be ready in 1962 and project put into execution. The Authority has received excellent cooperation and whole-hearted support of many civic and neighborhood groups in the Roxbury district on this undertaking.

Prudential Center. In 1961 the Prudential Insurance Company submitted an amended application to the Authority to undertake the development of the so-called Prudential Center in the Back Bay under the provisions of Chapter 121A, General Laws, as amended. Following the Authority's approval of the Prudential application, a declaratory judgement was sought and the Supreme Judicial Court upheld the Authority's action. Prudential has announced plans to resume construction of the project in 1962.

General Neighborhood Renewal Plans. Late in 1960 the Authority received approval from the Urban Renewal Administration to undertake General Neighborhood Renewal Plans for ten sections of the city. Under the provisions of these ten contracts a total of \$2,037,250 of planning funds has been made available as follows:

Charlestown	\$207,325
South End	293,700
East Boston	204,500
Downtown-North	182,300
Downtown	250,950
Back Bay	165,800
Parker Hill-Fenway	194,850
Jamaica Plain	220,225
Roxbury-North Dorchester	129,800
South Boston	187,800
	<hr/>
	\$2,037,250

Capital Grant funds of \$29,192,453 has been earmarked by the Federal Government for specific projects to be delineated following planning studies. Provisions for General Neighborhood Renewal Plans were enacted by the Congress in September, 1959, in an amendment to the U.S. Housing Act of 1949. A project embracing at least 10 per cent of the Plan area must be undertaken promptly upon completion of the Plan and the preparation of the Urban Renewal Plan for the project.

This organization was incorporated under the laws of Massachusetts on October 25, 1915.

The incorporators were twenty-one in number and included, besides the Mayor, the Corporation Counsel, the City Auditor, City Treasurer, Park Commissioner, the Principal Assessor and fifteen other city employees occupying responsible positions.

Since its incorporation the Credit Union has been functioning for the benefit of the city employee by the promotion of thrift among its members and the loaning of money to members in need of financial assistance. These loans are made at a low rate of interest, saving the borrower from

the exorbitant rates charged by loan agencies. During 1961 loans made to members amounted to \$3,441,673.77 and a total of \$36,800,313.19 has been loaned since organization. Approximately 90 per cent of the borrowers have their weekly loan payment deducted from their salary by means of the payroll deduction plan.

The Credit Union at the present time has assets of \$2,259,220.71 and reserves of \$257,645.29, with 11,358 members, 5,221 of which are borrowers.

Most departments of the City or County government are represented on the board of directors which consists of 21 members. Seven of these directors are elected each year for a three-year term.

ARNO I. DREW (Appointed by the Governor), *Chairman*

ARTHUR J. SANTRY (Appointed by the Chief Justice of the Supreme Judicial Court)

FREDERICK R. SULLIVAN, Sheriff of Suffolk County

The Commission chooses its own Chairman and its own Secretary. Its members receive no compensation for their services.

The Commission was established by Special Act of the Legislature, for the care, custody and control of the Suffolk County Court House, and is required to appoint a Custodian and such other officers as it may deem necessary for the proper operation of the building, and to determine their term or terms of service.

The Commission succeeded to the authority given to the Sheriff of Suffolk County over the Suffolk County Court House, in Chapter 525 of the Acts of 1922, and took over the management and control of the Court House upon its completion during 1939, by the Special Commission created under Chapter 474 of the Acts of 1935 for providing additional accommodations and facilities for the Suffolk County Court House.

A thirty per cent contribution by the Commonwealth to the annual costs and charges of maintenance and operation of the Court House began in the calendar year 1939 when the additional Court House enlargements and improvements, made under authority of Chapter 474 of the Acts of 1935, were "substantially completed" and in "actual use," and the remaining seventy per cent is paid by the City of Boston. While the Commonwealth now pays thirty per cent of the operating costs of the Court House, it has taken no part in its operations, other than the exercise of its authority in the make-up of the Commission in charge.
